THE above Association was founded in 1885 to provide for the Middle Classes those advantages in the way of Sickness Assurance which the Working Classes have so long enjoyed, and of which they have so largely taken advantage.

The Scheme has largely commended itself to **Professional Men, Merchants, Commission Agents, Employers of Labour, and Shopkeepers,** to all of whom absence from business is most serious, as entailing loss of income, also to the large class of Mercantile Clerks, **COMMERCIAL TRAVELLERS,** and others, who, if immediate loss of income does not result from sickness, have not what may be termed any class provision, and who, in addition to the expenses attending illness, have probably to face that of providing a substitute. Already Seven Thousand Policies have been issued, and the Premium Income exceeds Fifteen Thousand Pounds.

Policies are also granted insuring against Sickness alone, and against Accident alone. Special attention directed to the Accident Policies supplementary to the Sickness Policies. From £1 to £10 per week may be insured, according to income during health.

Particulars, with Prospectuses, may be had at any of the Offices of the Association as under, or from any of its Agents.

Applications for Agencies in Unrepresented Districts are invited.

RATES OF POSTAGE, AND CONDITIONS OF TRANSMISSION.

INLAND LETTERS.

The prepaid rates of postage are as follows, viz.:—

For a letter not exceeding	1 oz.,					1d.
,, above	1 oz.	but not exceeding	2 oz.,			1½d.
,, ,,	2 oz.	,,	,,	4 oz.,		2d.
,, ,,	4 oz.	,,	,,	6 oz.,		2½d.
,, ,,	6 oz.	,,	,,	8 oz.,		3d.

And so on, at the rate of ½d. for every 2 ounces.

A letter posted unpaid is chargeable on delivery with double postage; and if insufficiently prepaid, with double the deficiency.

No letter may exceed in dimensions 18 × 9 × 6 inches, unless to or from a Government office.

COLONIAL AND FOREIGN LETTERS.

The rates of postage on letters to foreign countries and the colonies are entered in the Table of Foreign and Colonial Postage.

A letter posted unpaid, or paid only in part, to any country where prepayment is compulsory, is returned to the writer.

A letter posted unpaid, or insufficiently paid, to or from Australia, New Zealand, Cape Colony, or Natal, is charged 6d. in addition to the deficient postage, and for St Helena double the deficiency.

Unpaid letters to or from countries in the Postal Union are charged double the prepaid rate, and those partially prepaid with double the deficiency.

Letters not specially directed by a particular route are, as a rule, forwarded by the first mail despatched.

Letters, etc., for the Argentine Republic, Brazil, Chili, and Uruguay (also Peru and Bolivia, if specially addressed), '*by Supplementary Mail viâ Lisbon*,' and posted in time for the last despatch from Edinburgh on Friday, will in due course overtake, at Lisbon, the packet despatched from Liverpool on the previous Wednesday.

Letters for Russia should have the name of the town and province added in English, French, or German.

No letter may exceed 2 feet in length by 1 foot in breadth or depth.

POST CARDS.

Official post cards impressed, or reply cards impressed with a halfpenny stamp on each, or private post cards impressed with a halfpenny stamp, are available for transmission between places in the United Kingdom.

The front (or stamped) side is for the address only, and there must be nothing else written, printed, or otherwise impressed on it. On the reverse side, any communication, whether of the nature of a letter or otherwise, may be written or printed. Nothing whatever may be attached (extra postage stamp excepted); nor may the card be folded, cut, or otherwise altered. If any of these rules be infringed, the card will be charged 1d. on delivery if addressed to (any place in) the United Kingdom, but if for abroad such cards are not forwarded.

When, owing to a great and unusual influx of letters, books, etc., the transmission or delivery of the letters would be delayed if the whole mail were dealt with without distinction, post cards may be kept back until the next despatch or delivery (unless paid for and posted as late letters).

No card other than one of those issued by the Government, or a private card impressed with the halfpenny stamp, will pass under a halfpenny stamp, if it bear on it a written communication of the nature of a letter (unless it be a circular letter).

The conditions under which private cards are impressed with a halfpenny stamp, can be ascertained at the Inland Revenue Office.

Inland.—Post cards are sold at the rate of 7d. and 8d. per dozen; reply cards, 7d. and 8d. per half dozen.

Foreign.—Post cards, 1d., 1½d., and 2d. each (or inland post cards paid the foreign rate), and reply post cards, 2d., 3d., and 4d. each, may be sent to any of the countries in the Postal Union. For countries, see p. 740.

INLAND NEWSPAPERS.

For each inland newspaper, whether posted singly or in a packet, the postage, when prepaid, is one halfpenny; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight—viz. one halfpenny for every 2 oz. or part of 2 oz.

A newspaper or a packet of newspapers posted either unpaid or insufficiently paid, will be treated as an unpaid or insufficiently paid book packet of the same weight.

Every newspaper or packet of newspapers must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of easy examination; otherwise it will be treated as a letter.

Every newspaper should be so folded as to admit of the title being readily seen.

A registered newspaper, or a packet of registered newspapers, which contains any enclosure except the supplement or supplements belonging to it, is charged as a letter, if under 8 oz.; and if over that weight is sent by Parcel Post and charged 1d. of a fine, and any deficiency in the Parcel Post rate.

All unregistered newspapers are subject to the rates and regulations of the Book Post.

A packet must not exceed 14 lbs. in weight, or exceed 2 feet in length or 1 foot in width or depth.

Any publication fulfilling the following conditions can, upon payment of an annual fee of 5s. be registered at the General Post Office to pass within the United Kingdom as a newspaper for a postage of one halfpenny. Registration for inland circulation includes registration for transmission abroad. An unregistered newspaper is liable to the book rate of postage.

The conditions are as follows:—

The publication must consist wholly or in great part of political or other news, or of articles relating thereto, or to other current topics, with or without advertisements.

It must be printed and published in the United Kingdom, and must be published in numbers at intervals of not more than seven days.

The full title and date of publication must be printed at the top of the first page, and the whole or part of the title and the date of publication at the top of every subsequent page; and this regulation applies to 'Tables of Contents' and 'Indices.'

A supplement must consist wholly or in great part of matter like that of a newspaper, or of advertisements, printed on paper, unstitched; or wholly or in part of engravings, prints, or lithographs illustrative of articles in the newspaper. The supplement must in every case be published with the newspaper, and must have the title and date at the top of every page; or, if it consist of engravings, prints, or lithographs, at the top of every sheet or side.

COLONIAL AND FOREIGN NEWSPAPERS.

The rates of postage to the colonies and foreign countries on newspapers registered for transmission abroad will be found in the Table of Colonial and Foreign Postage.

The conditions of registration for transmission abroad are the same as those for inland transmission; excepting that for foreign transmission a newspaper may be published at intervals of thirty-one days. Moreover, 'prices current' and 'market reports' (but not private price-lists or trade catalogues), are admitted to the same privileges as newspapers for foreign transmission, provided they are published at intervals not exceeding thirty-one days.

Publications registered for transmission abroad must be posted *within eight days* from the date of publication, including that date; but if posted later, must be prepaid the book rate of postage.

The collected numbers issued during the month of a weekly or fortnightly publication are not allowed to pass as a monthly publication.

A newspaper, whether posted without or in a cover, must not be fastened so as to prevent it being easily examined, and every newspaper must be so folded as to admit of the title being readily seen.

No newspaper, whether posted singly or in a packet, may contain any enclosure except the supplement or supplements belonging to it.

There must be no writing or other mark on a newspaper sent abroad but the name and address of the person to whom it is sent; nor anything on the cover but such name and address, the printed title of the publication, the printed name and address of the publisher or vendor who sends it, and words indicating the date on which the subscription to the newspaper will end.

A packet of newspapers must not exceed 18 inches in length by 1 foot in depth or width. For limit of weight, see Table of Colonial and Foreign Rates (p. 741).

INLAND BOOK POST.

The postage is one halfpenny for every two ounces or part thereof.

If posted unpaid, will be charged with double rate; and if partially paid, with double the deficiency.

A book packet may contain any number of separate books or other publications, photographs (when not on glass or in cases containing glass or any like substance), drawings, prints, or maps, and any paper or other substance in ordinary use for writing or printing upon. Further, all legitimate binding, mounting, or covering of a book, etc., is allowed; but it must contain no enclosure or anything of the nature of a letter, unless it be a circular letter. (Entries, however, merely stating who sends the book, etc., or to whom it is given, are not regarded as a letter.) If this rule be infringed, the packet will be charged as a letter if under 8 oz., but if over that weight it is forwarded under the Parcel Post rates, in addition to a fine of 1d.

Circulars, i.e. letters which, from internal evidence, appear to be intended for transmission in identical terms to several persons, and the whole or the greater part of which is produced by ordinary type, engraving, or lithography, or any other mechanical process, may also be sent by book post.

A book packet must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of the contents being easily withdrawn for examination. It may, however, be tied with string.

No book packet may exceed 5 lbs. in weight, or 18 inches in length, 9 inches in width, and 6 inches in depth, unless to or from a Government Office.

When, owing to a great and unusual influx of letters, books, etc., the transmission or delivery of the letters would be delayed if the whole mail were dealt with without distinction, book packets may be kept back till the next despatch or delivery.

COLONIAL AND FOREIGN BOOK POST.

Articles which may be sent to places abroad under the Book Post Regulations consist of two classes, as follows:—

(*a*) Commercial Papers, under which are comprised all papers or documents written or drawn wholly or partly by hand (except letters or communications in the nature of letters, or other papers or documents having the character of an actual and personal correspondence), documents of Legal procedure, Deeds drawn up by public functionaries, copies of or extracts from Deeds under private seal (and whether written or printed on stamped or unstamped paper), Way Bills, Bills of Lading, Invoices, and other documents of a mercantile character, documents of Insurance and other public Companies, all kinds of manuscript Music, the manuscript of Books and other literary works, and other papers of a similar description.

(*b*) Printed Papers, including periodical works, books (stitched or bound), pamphlets, sheets of music (printed), visiting cards, address cards, proofs of printing (with or without the manuscript relating thereto), engravings, photographs (when not on glass or in frames containing glass), drawings, cardboard drawing, models stamped in relief (except for Russia and Sweden), plans, maps, catalogues, prospectuses, announcements, and notices of various kinds, whether printed, engraved, or lithographed, and in general all impressions or copies obtained upon paper, parchment, or cardboard by means of printing, lithographing, or any other mechanical process easy to recognise, except the copying press, and anything usually attached or appurtenant to any of the beforementioned articles in the way of binding, mounting, or otherwise, and anything convenient for their safe transmission by post which shall be contained in the same packet; also printed, engraved, or lithographed circulars, notwithstanding that such circulars may be letters or communications in the nature of a letter. Stamps for prepayment, whether obliterated or not, and all printed articles constituting the sign of a monetary value, are, however, excluded from transmission by Book Post to countries in the Postal Union.

The two classes are subject to the same rates of postage, except that when addressed to countries in the Postal Union, the minimum rate for commercial papers is higher than for printed papers. If there be any mixture of the two in the same packet, the whole packet is subject to the higher rate.

Every packet must be posted either without a cover (in which case it must not be fastened, whether by means of gum, wafer, sealing wax, postage stamp, or otherwise), or in a cover entirely open at both ends so as to admit of the contents being easily withdrawn for examination; otherwise it is treated as a letter. For the greater security of the contents, however, it may be tied at the ends with string.

All Books and printed matter imported into the United States through the Post, however small the value, are subject to a duty of 25 per cent., except books and newspapers already exempt from duty, photographs, and printed papers other than books, received in such small quantities as to suggest that they are for personal use and not for sale. Books and periodicals addressed to the U.S. of Colombia are liable to customs duties, unless intended for the personal use of the addressee.

The limit of size for packets addressed to countries in the Postal Union is 18 inches long by 1 foot in breadth or depth, and for other places abroad, 2 feet long by 1 foot in breadth or depth.

COLONIAL AND FOREIGN PATTERN AND SAMPLE POST.

There is a Pattern and Sample Post to the foreign countries and the colonies generally; but it is restricted to *bonâ fide trade patterns or samples of merchandise.* Goods sent for sale, or in execution of an order (however small the quantity may be), or any articles sent by one private individual to another which are not actually patterns or samples, can only be forwarded as letters.

No article liable to customs duties can be sent as a sample or pattern.

The rates of postage will be found in the Table of Colonial and Foreign Postages (p. 741–747).

Patterns or samples, when practicable, must be sent in covers open at the ends, and in such a manner as to be easy of examination. But samples of seeds, drugs, and such like articles, which cannot be sent in covers of this kind, may be posted enclosed in boxes or in bags, fastened in such a manner that they may be readily opened.

There must be no writing or printing upon or in any packet except the address of the person for whom it is intended, the address of the sender, a trade mark or number, and the price of the articles. But a packet for a country in the Postal Union may have enclosed in it any of the articles designated as 'Commercial Papers' if the rate applicable to such be paid for the whole packet.

Samples of saleable value must not be sent to any foreign country, or to any British possession included in the Postal Union. Samples of eider down, raw or thread silk, woollen or goats' hair thread, vanilla, or isinglass, are considered to fall under this rule if they weigh more than three ounces.

Such articles as scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, may be sent, provided that they be packed and guarded so as to afford complete protection to the contents of the mail bags and the officers of the Post Office, while at the same time they may be easily examined. Liquids, glass, anything of a greasy nature, indigo, explosives, and powders of all kinds are strictly prohibited.

The limit of weight is not the same to all countries. See Table of Colonial and Foreign Postages (p. 741).

INLAND PARCEL POST.

In order that a packet may go by Parcel Post, it must be tendered for transmission as a parcel, and should bear the words 'Parcel Post' clearly written in the left-hand top corner.

The size allowed for an Inland Postal Parcel is—

Greatest length, ...	3 ft. 6 in.
Greatest length and girth combined,	6 ft. 0 in.

For example:—A parcel measuring 3 ft. 6 in. in its longest dimension, may measure as much as 2 ft. 6 in. in girth, or, if shorter, may be thicker.

The rates of postage are,—

Not exceeding 1 lb. in weight, . . .	3d.
Exceeding 1 lb. and not exceeding 2 lbs.,	4½d.
„ 2 lbs. „ „ 3 lbs.,	6d.

And so on at the rate of 1½d. for every additional lb. up to 11 lbs., which is the limit of weight.

The postage must, in all cases, *be paid in advance*, and the postage stamps affixed by the sender. In posting a parcel it should be handed over the counter, and care taken to let the officer who accepts it know that it is intended for transmission by *Parcel Post*. In no case should the parcel be posted in a letter box.

Compensation will be given for loss or damage to an amount not exceeding £1; but if paid the insurance fee of 1d., to the extent of £5; and if paid the insurance fee of 2d., to the extent of £10. When no insurance fee is paid, but compensation is desired, the sender should obtain a certificate of posting from the officer receiving the parcel. This certificate must be filled up by the *sender*, and date stamped by the officer receiving the parcel. To insure a parcel, the insurance fee must be prepaid, and a certificate of posting obtained on the prescribed form filled up by the *officer* receiving the parcel.

General Conditions.—No compensation will be given in respect of either damage or loss of a parcel containing anything which, according to the regulations for the time being, may not be sent by the *Inland Parcel Post*, or containing money. No compensation will be given in respect of damage to a parcel containing liquid or semi-liquid, eggs, or any other article of an exceptionally fragile nature, soft fruit, or any other article which cannot with reasonable safety be sent by post, or a parcel containing any perishable article where the *damage* arises from natural decay, and has not sustained *undue delay*.

The compensation will in no case exceed the value of the article lost or damage sustained. The compensation given in case of damage will be in proportion to that which would have been given had the parcel been lost.

The Postmaster-General will, in every case, either of loss or damage, if he think fit, re-instate the contents of a parcel, instead of giving pecuniary compensation.

If a packet bearing the words 'Parcel Post' is not posted in accordance with the regulations, it is treated as a letter or book packet, if it is fully prepaid at the rate proper to either, and is otherwise in accordance with the letter or book post regulations; but if not fully prepaid at the letter or book post rate, it will be treated as a parcel, and charged on delivery with a fine of 1d., together with the deficient postage, if any, at the Parcel rate.

Parcels which bear on the outside any writing or drawing of an indecent or offensive nature, or within which any contents of a like nature may be observed, and parcels containing gunpowder, cartridges, lucifer matches, or anything explosive or liable to sudden combustion, bladders containing liquid, live animals, grossly offensive or filthy matter, and anything in a condition likely to injure other parcels, or any officer of the Post Office, are prohibited.

Parcels containing fish, game, meat, eggs, etc., or razors, scissors, needles, knives, forks, or other sharp instruments, are not accepted unless securely packed so as to guard against risk of injury to other parcels. Liquids or semi-liquids, such as jellies, pickles, paint, varnish, etc., are not accepted unless in bottles or cans securely stoppered; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage.

A customs declaration must be made in the case of parcels for the Channel Islands.

To offices where letters may be addressed 'to be called for,' parcels may also be so addressed; such parcels are liable to a demurrage charge of 1d. a day after the first.

COLONIAL AND FOREIGN PARCEL POST.

For countries, dimensions, and weight, see p. 748.

The postage must in all cases *be paid in advance*, and the postage stamps affixed by the sender.

Each parcel should bear the words 'Parcel Post' in the upper left-hand corner, the name and address of the sender and date of posting, and presented at the counter as in the case of inland parcels.

Customs Declaration.—Parcels will be liable to customs duties and regulations, and the sender of each parcel will be required to make a customs declaration furnishing—upon a special form provided for the purpose—an accurate statement of

the contents and value, the date of posting, and the sender's signature and place of abode. In the case of parcels for the Continent of Europe, the sender will also be required to enter on the customs declaration form the net weight of the contents of the parcel. The declaration form should, if possible, be filled up in both English and French. Customs duties will be collected on delivery. In addition to customs duties, a charge of 6d. per parcel is levied on all incoming parcels at the Cape of Good Hope and Natal.

No parcel containing dangerous articles, perishable articles, articles likely to injure other parcels, liquids (unless securely packed in proper cases), or any contraband article or substance, will be accepted for transmission. A parcel must not contain another parcel, or a letter or other postal packet, intended for delivery to a person other than the addressee of the first-named parcel.

The transmission of any letter whatever, no matter to whom addressed, in parcels for Foreign Countries, Cape of Good Hope, Natal, Egypt, Jamaica, Australian Colonies, and Trinidad, is strictly forbidden.

Parcels for Ascension, the Cape of Good Hope, Natal, Egypt, India, and St. Helena must not exceed £50 in value.

Re-direction and Return of Parcels.—Parcels arriving in this country and re-directed from one address to another in the United Kingdom will be treated and surcharged under the regulations which govern the treatment and surcharge of re-directed parcels by the Inland Parcel Post.

If a parcel cannot be delivered as addressed, or is refused, the sender, if his address be given on the parcel, will be communicated with by the Post Office as to the manner in which the parcel shall be disposed of.

If returned or re-directed from one country to another, the parcel will be charged a full rate of postage.

Parcels should be properly packed.

PARCEL POST TO INDIA.

The Peninsular and Oriental Steam Navigation Co. are authorized by the Director-General of the Post Offices in India, etc., to receive parcels for delivery at any post town or district throughout India, British Burmah, Aden, Ceylon, and the Straits Settlements at the following rates:—London to India, British Burmah, and Aden, 1s. per pound; books, 6d. per pound. Ceylon, 9d. per pound; books, 6d. per pound. Straits Settlements, 9d. per pound on all parcels.

These charges cover the conveyance from London to the address in India, etc., and may either be prepaid or paid on delivery, but do not include duty.

Parcels must not exceed 50 pounds in weight, 3 ft. 6 in. in length, and 6 ft. in length and girth combined, nor be more than £50 value. They should be entirely closed, and any articles liable to suffer from crushing must be in a strong wooden case. Packages not in wood must have an outer covering of stout canvas if measuring one cubic foot and upwards.

Senders of parcels from the country will receive a receipt for them in due course; and if required, the Company will effect insurance against sea and land risks at the rate of 1s. for every £5 value or fraction thereof on each parcel, but such must be prepaid.

Packages of a fragile nature, or containing liquids, or articles of a dangerous or damaging nature, will not be received.

If a receipt is required, a stamped and directed envelope must be enclosed in the advice.

An advice note must accompany each package, otherwise it will be liable to be charged at the 1s. rate.

Remittances from the country must be by cheque, post-office order, or penny stamps, if the amount does not exceed 1s.

Parcels for this conveyance must be sent either to the Company's Office, 122 Leadenhall Street, E.C., or to the Branch Office, 25 Cockspur Street, S.W., London, by 4 P.M., on Mondays, legibly addressed to their destination in India, marked '*To be forwarded by Indian Parcel Post.*' If sent by post or other conveyance, the Indian address must be put on an inner cover. In all cases they must be accompanied by a letter of advice to the Company, stating name and address of each package, and value and contents, for custom-house clearance; and also distinctly stating whether carriage is to be prepaid or not. If prepayment be desired, the amount due for carriage, etc., must be enclosed in the letter, payable to Mr. A. M. Bethune, Secretary, or when sent to Cockspur Street, to Mr. F. H. Firth, Agent.

SPECIAL RATES OF POSTAGE, AND CONDITIONS OF TRANSMISSION.

ADDRESSES AND PETITIONS TO THE QUEEN AND PARLIAMENT.

Petitions and addresses to the Queen, forwarded direct or through a member of either House of Parliament, are exempt from postage. Petitions to members of either House so addressed are also exempt, provided they do not exceed 2 lbs. in weight, and, if in covers, are in open covers. There must be no enclosure; any enclosure, unless it bear the proper number of postage stamps, will be charged as a letter. There is no limit to size.

PARLIAMENTARY PROCEEDINGS.

Printed votes or proceedings of the Imperial Parliament, sent in open covers, having the words 'Parliamentary Proceedings' written or printed thereon, may be sent within the United Kingdom and to the Colonies and those Foreign States to which there is a book post, at the book rate, prepayment as regards inland packets being optional,—the limits of size and weight are not applicable to printed parliamentary proceedings.

PARLIAMENTARY NOTICES.

Parliamentary notices may be forwarded under the following regulations, and posted at any Money Order Post Office in the United Kingdom:—

The words 'Parliamentary Notice' must be written or printed on the face of the letter; and in order to secure the speedy return of any notices which may be undelivered, the name and address of the solicitor issuing such notice should also be printed or written on the face of the letter.

Notices which, by the standing orders of either House of Parliament, are required to be served on or before the 15th December, must be posted not later than the 12th December, and on the 11th, if the 12th be a Sunday; and those notices which, by the same orders, may be served after the 15th,

must be posted not later than the 18th, and on the 17th, if the 18th be a Sunday.

The postage chargeable on these notices, and the registration fee of 2d., must be prepaid by stamps.

The notices must be posted at the Post Office counter, accompanied with duplicate lists of the addresses; the notices being arranged in the order of the list; and if they correspond with the addresses, the sheets will be signed and stamped, and one of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post Office, London.

The hours for receiving such notices are the same as those for the registry of ordinary letters, unless they be presented at such a time as to interfere with the other duties of the office; in which case the postmaster may appoint any other time within the next twenty-four hours for receiving the same, provided that, when the notices are to be served on or before the 15th December, such arrangement do not delay the posting beyond the 12th. Senders should, if possible, arrange on the previous day with the postmaster as to the most convenient time for posting.

LETTERS FOR NON-COMMISSIONED OFFICERS, SOLDIERS, AND SEAMEN IN HER MAJESTY'S SERVICE.

Non-commissioned officers, schoolmasters, schoolmistresses, private soldiers, seamen, writers in H.M. Army or Navy, whether serving on sea or land, in a British possession or foreign country, as also enrolled pensioners in Canada, the Cape Mounted Rifles, can send and receive letters, not exceeding half an ounce, for a postage of 1d.; but if any such letters have to pass through a foreign country, they are subject, in addition, to the foreign postage, whatever that may be. Thus, the postage to the under-mentioned countries (including the British charge of one penny) is as follows:—

To or from—	s.	d.
Australia, Hong Kong, India, Ceylon, etc., *viâ Brindisi*, Chili, Peru, or any other place in the South Pacific, *viâ Southampton and Panama*, and Bahamas, *viâ New York*	0	2

The person claiming the privilege must at the time be actually employed in the service of Her Majesty, and must not be either a commissioned officer or warrant officer in the army, or assistant engineer, gunner, boatswain, or carpenter in the navy, the privilege not extending to these officers.

If the letter be posted in the United Kingdom, or if the class or description of the soldier or seaman be not given, it will be returned to the writer.

The name of the soldier or seaman, with his class or description, must appear in the direction, and the officer having the command must sign his name, and specify the ship or regiment, corps or detachment, to which the soldier or seaman belongs; the name of the ship or regiment being entered in full. The foregoing particulars must be given in one of the following forms:—

LETTERS FOR PASSENGERS ON BOARD MAIL PACKETS.

Letters for passengers on board the packets for America touching at Queenstown, or on board the Mediterranean packets about to sail from Brindisi with the mails for India, Australia, China, etc., may be posted up to the time at which ordinary registered letters to go by the same packets are received. They must be registered, and addressed to the 'care of the commander of the packet.'

Letters for passengers by the Canadian packets touching at Londonderry may, under similar conditions, be posted up to the same time as ordinary registered letters for Canada, and must be addressed to the 'care of the officer in charge of the mails.'

Letters directed *Post Restante*, Suez, and despatched by the mail *viâ Brindisi*, will probably reach passengers for India, etc., who have sailed in the packet from Gravesend the previous week.

LETTERS BY PRIVATE SHIPS.

Letters intended to be sent by private ship must be addressed 'By Private Ship;' and if by a particular vessel, the name of the ship must be added. The postage of a letter by a private ship is as follows:—

Country.	Prepaid Letter, per ½ oz.	Fine if not wholly prepaid.
*Ascension and Australia, .	6d.	—
Cape Colony and Natal, .	6d.	6d. each.
Ceylon, Hong-Kong, India, St. Helena, and Straits Settlements, . . .	4d.	double deficiency.
Postal Union countries, except Ceylon, Hong Kong, India, and Straits Settlements, ...	same as mail packets.	—
*All other countries, . .	6d.	—

Letters cannot be sent unpaid to the countries marked thus (*). The postage for letters weighing more than ½ oz. advances in the same manner as that for letters sent by mail packets.

Book packets and patterns may be sent for the same postage as by mail packets.

Newspapers must be prepaid 1d. each per 4 oz.

REGULATIONS AS TO PREPAYMENT, REGISTRATION, ETC.

MODES OF PREPAYMENT.

Inland letters, newspapers, and book packets can only be prepaid by means of postage stamps, except at the General Post Office, Edinburgh, where *letters* and *book packets* may, from 10 a.m. to 4 p.m., be prepaid in money, provided the amount be not less than £1, and that the letters and book packets be tied in separate bundles of 5s. each, with the addresses arranged in the same direction.

REGISTRATION (INLAND AND FOREIGN).

The fee for registering a letter, newspaper, or book packet passing between any two places in the United Kingdom is 2d. The fee chargeable to places abroad will be found in the Table of Colonial and Foreign Postage (pp. 741–747). To some countries a letter can be registered only to the port of arrival, and to a few countries there is no arrangement for registration.

No letter or postal packet addressed to initials or to a fictitious name can be registered, unless addressed to the care of a person or firm. Every article presented for registration should be enclosed in a strong cover securely fastened, and if coin be sent such must be packed in such a way as to move about as little as possible.

The sender of a registered article addressed to any foreign country or British colony in the Postal Union may obtain an acknowledgment of its due receipt by the addressee on paying a fee of 2½d. at the time of registration.

Registered letters, etc., must be prepaid as regards both postage and registration fee; except official letters for Government Offices in London, Dublin, or Edinburgh, which may be registered on prepayment, in stamps, of the registration fee only.

Every letter, etc., to be registered must be given to an agent of the Post Office, and a receipt obtained for it, and should on no account be dropped into the letter-box. If an article marked 'registered' be dropped into the letter-box, *directed to any place in the United Kingdom*, it will be liable to a registration fee of 8d., instead of the ordinary fee of 2d.; and if posted containing coin, watches, or jewellery, without being registered, will be treated in like manner.

Letters containing coin for any of the British colonies not in the Postal Union can be registered, and if posted unregistered, they are treated as inland letters under similar circumstances.

Letters containing coin, jewellery, or precious articles, cannot be accepted for registration to any country in the Postal Union; nor can a letter with the declared value of its contents marked outside.

Registered letters require to be posted at General Post Office thirty minutes, and receiving offices fifteen minutes, before the closing of the box for ordinary letters; but upon payment of a late fee of 4d. they may be registered at General Post Office until the closing of the letter-box for ordinary letters for each despatch.

The registration of a packet makes its transmission much more secure, inasmuch as, under ordinary circumstances, a registered packet can be traced through its whole course; and thus the loss of a registered packet is a very rare occurrence. Nevertheless, large sums of money or other articles of great value should not be sent through the post, as the machinery of the department is not arranged with a view to such transmissions. If sent unregistered valuable articles are exposed to risk.

By law the Postmaster-General is not responsible for the safe delivery of registered letters or packets, but he is prepared to make good the contents of a registered letter, book packet, or newspaper lost while passing through the post to an amount not exceeding £5; and to the extent of £10 if paid the insurance fee of 2d.; subject to these conditions, the following rules will regulate the giving of compensation, viz.:—

That the sender of the letter duly observed all the conditions of registration required; and a certificate of posting, bearing thereon an acknowledgment that the registration fee has been paid. This certificate to be signed by the officer receiving the letter. That the letter was securely enclosed in a reasonably strong cover. If containing money, that it was enclosed in one of the registered letter envelopes sold by the Post Office. If containing coin, that such was packed and enclosed in such a way as to move about as little as possible. If containing any bank note, that the name of the bank, and number and amount, be supplied. If a postal order, that the amount and number of such be supplied; and in the case of a bill of exchange, bond, coupon, or other order for the payment of money, that sufficient particulars be supplied to identify the document.

If compensation for damage be desired, the letter must bear the words, 'Fragile, with care.'

The compensation given for loss of coin shall not exceed £2, whatever may have been the amount of coin in the letter.

No compensation will be given in case of damage to a letter containing liquid or semi-liquid, nor any fragile or other article which from its nature cannot, with reasonable safety, be sent by post, and not securely packed, and marked 'Fragile, with care;' but in such cases compensation will be given for the loss of a letter or the article it contained. Compensation will in no case exceed the value of the article lost or damaged, and compensation given in the case of damage will be in proportion to that which would have been given had the letter been lost.

Application for compensation should be made within 7 days after the date on which the letter was posted, and the certificate of posting should be produced.

When the complaint is that the contents of a letter have been abstracted, the envelope must accompany the application.

No town postman is allowed to take a letter to be registered; but rural postmen can do so on their walks.

RE-DIRECTION AND DELIVERY.

Every inland re-directed letter, post card, or other postal packet, is liable to an additional postage (at the prepaid rate) for each re-direction, unless both the original and the second address be within the delivery of the same Post Office, and the re-direction be made by an officer of the Post Office.

If an inland registered letter, when re-directed, instead of being taken back to the Post Office to be dealt with as a registered letter, is dropped into the letter-box as an ordinary letter (the word 'registered' not having been erased, or having been erased in pencil only), it is surcharged with a registration fee of eightpence, less the value of any stamps affixed for registration.

Letters, etc., sent to or received from a country of the General Postal Union and re-directed to any place in the United Kingdom or to another country within the Union, are not liable to any additional charge, nor, if registered, to an additional registration fee; such, however, as have been in the first instance addressed to a place in the country where they were posted, are chargeable with the same postage, less the sum prepaid, which would have been charged had they been charged in the first instance to the place of their ultimate delivery, but, if registered, without additional fee.

Letters, etc., addressed from one part of the United Kingdom to another, and then re-directed to a country not in the Postal Union, are liable to an additional colonial or foreign rate, and, if registered, to an additional fee for registration.

Letters, etc., received here from a country not in the Postal Union, and re-directed to another country not in the Postal Union, are liable to an additional colonial or foreign rate, and, if registered, to an additional fee: if re-directed to some place within the United Kingdom, they are liable to an additional inland rate; and, if re-directed to any country of the Postal Union, they are liable to the rate to that country, but, in either case, if registered, are not liable to any additional fee.

Letters, etc., received from any country of the Postal Union, and re-directed to a country not in the Postal Union, are liable to an additional colonial or foreign rate, and, if registered, to an additional fee.

No charge for re-direction is made on newspapers from any place abroad, unless they have been opened, in which case they are liable to postage as books.

Letters for commissioned officers, non-commissioned officers, schoolmasters and schoolmistresses in the army, soldiers or seamen on actual service, re-directed from one foreign station to another, or from a foreign station to this country, or from one part of the United Kingdom to another, are delivered free, if under half an ounce.

Notices of removal and applications for letters, etc., to be re-directed must in all cases be duly signed by the persons to whom the letters are addressed; printed forms of notice can be obtained at the General Post Office. Persons who are about to change their residence should inform their correspondents beforehand of their intention.

No person living within the town free delivery, unless he rent a private box, can obtain his letters at the General Post Office.

Private Boxes and Bags.—The fee for a private box is £3 per annum, and if for a private bag, £1 additional, payable in advance, and if for parcels, an additional fee.

STAMPS (POSTAGE AND INLAND REVENUE).

Postage labels (also available for telegrams) are of the respective values of ½d., 1d., 1½d., 2d., 2½d., 3d., 4d., 5d., 6d., 9d., 1s., 2s. 6d., 5s., 10s., and £1, stamped telegraph book 10s., interleaved 2d. extra. The embossed envelopes are of three sorts, and sold thus, viz. $4\frac{3}{4} \times 3\frac{1}{4}$, at 1s. 2d., and $5\frac{1}{4} \times 3$, at 1s. 1d. per dozen. 'Commercial' at 10½d. for 10. Registered Letter envelopes are of six sizes, viz. $5\frac{1}{4} \times 3\frac{1}{4}$, and $6 \times 3\frac{3}{4}$, sold at 2½d. each, or 2s. 2½d. per doz.; 8×5, and 9×4, at 2¾d. each, or 2s. 7d. per doz.; $10 \times 7\frac{1}{2}$, and $11\frac{1}{2} \times 6$, at 3d. each, or 2s. 10d. per doz. One or more stamps may be used to make up the requisite amount, care being taken to cancel the stamps by writing the signature (or initials) and the date across the stamps.

Payment of postage cannot be made by means of postage stamps which have been cut, torn, or otherwise rendered imperfect; or of embossed or impressed stamps, cut out from the envelopes, cards, or wrappers on which such were embossed or impressed.

Every rural messenger is authorized to sell penny postage stamps and registered letter envelopes; or, if he have none in his possession, must receive the postage in money, and on his arrival at the post office obtain labels for the amount, and affix them carefully to the letters.

All postmasters in the United Kingdom at whose offices money order business is transacted, are permitted, though not compelled, to purchase postage stamps from the public (provided the stamps be not soiled or otherwise damaged), at a charge of 2½ per cent.; the charge, however, never being less than one halfpenny. Under this arrangement the charges are as follows: For stamps not exceeding 1s. 8d. in value, ½d.; 3s. 4d., 1d.; 5s., 1½d.; 6s. 8d., 2d.; 8s. 4d., 2½d., and so on. No separate stamps can be purchased, or less than two adhering to each other.

In consequence of representations made to the Post Office by various firms, that there is reason to believe that their postage stamps were purloined by persons in their employ, the department has recommended that the name or initials of firms, etc., be either printed on the *back* of the stamps (by arrangement with the Inland Revenue Office, Somerset House), or perforated through the stamps by means of a machine devised for the purpose, so that, the sale of such stamps being thereby rendered difficult (postmasters having been instructed not to purchase any of them), there may be little or no temptation to steal them.

The perforation of the stamps on post cards, wrappers, and embossed envelopes with initials is also not objected to.

ARTICLES NOT ALLOWED TO BE SENT BY POST.

No indecent or obscene print, painting, photograph, lithograph, engraving, book, card, or other article, nor any letter, newspaper, publication, packet, or card having thereon any words, marks, or designs of an indecent, obscene, libellous, or grossly offensive character, nor can any explosive, dangerous, or noxious substance, any living creature, or anything likely to injure the contents of the mail bag or the person of any officer of the Post Office.

In all Postal Union countries except Siam—coin, jewellery, and precious articles. In Siam—jewellery only; and in Italy and United States of America—anything relating to foreign lotteries.

In the Cape of Good Hope and Queensland—jewellery and precious articles, if dutiable, are liable to detention until the duty is paid.

In Spain and Victoria—jewellery, being dutiable, is liable to confiscation.

Dutiable articles of all kinds are prohibited in Union countries except the U.S. of America and U.S. of Colombia, to which books for sale may be sent.

(See also under Foreign and Colonial Pattern and Sample Post, p. 728.)

MISCELLANEOUS REGULATIONS AND SUGGESTIONS.

No information can be given respecting letters which pass through a post office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

Postmasters are not allowed to return any letter or other packet to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon.

Postmasters are not bound to give change, nor are they authorized to demand change; and when money is paid at a post office, whether as change or otherwise, no question as to its right amount, goodness, or weight can be entertained after it has been removed from the counter.

Postmasters are not bound to weigh any letters or other packets for the public, but they *may* do so if their duty be not thereby impeded.

If a letter be forwarded under cover to any postmaster with a request that he will re-post it at his office, the letter, on being re-posted, will be endorsed with the words 'posted at ———, under cover, to the Postmaster of ———.'

To facilitate the delivery of letters, a letter-box should be affixed to every house door.

Every address should be legible and complete, and every letter should contain the full address of the writer, in order to ensure its return if the person to whom it is directed cannot be found.

Letters which cannot be delivered are kept from one to three days, according to circumstances, before being returned, unless addressed 'to be called for,' when they are retained one month, and if addressed to a ship, two months before being returned.

Letters addressed to club houses, hotels, and other places where letters are received to be called for, should be returned to the Post Office as soon as it is evident that they will not be called for.

MONEY ORDERS.

Money Orders are issued and paid at General Post Office, from 10 to 4; Saturdays, 10 to 1; Branch Offices, 9 to 7; and at the Receiving Offices, 9 to 7; Saturdays, 9 to 5.45.

When applying for Money Orders, the public should use the printed 'Application Forms,' which are supplied gratuitously at all Money Order Offices.

The commission on Inland Money Orders is:—

For sums not exceeding	£1	.	.	2d.
,, above £1	,,	2	.	3d.
,, ,, 2	,,	4	.	4d.
,, ,, 4	,,	7	.	5d.
,, ,, 7	,,	10	.	6d.

No Money Order can be issued, unless the applicant furnish, in full, the surname, and at least the initial of one Christian name, both of the remitter and the payee, and the remitter's address.

In the case of Foreign Orders, the full address of the payee must be given; and if the order be payable to a native in British India, the tribe or caste and the father's name must also be furnished.

Exceptions. — 1st. The remitter of an Inland Order may direct, at the time of issue, that the order be crossed like a cheque thus, '& Co.,' and thus be payable only through a bank. In that case he may give or withhold the name of the payee. The designation of the bank need not be furnished.

2nd. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient.

3rd. The usual designation of a firm is sufficient, except when a company trades under a title which does not consist of the names of the persons composing it, as the 'Carron Company;' but even a designation of this nature may be accepted provided the order be crossed for presentation through a bank.

The holder of an inland Money Order may direct, by crossing it, that it be paid through a bank, even although not originally intended.

When application is made for a Money Order payable in London, or at any other town where there is more than one Money Order Office, the remitter should say at which of such offices he wishes it to be paid; otherwise it can be drawn only upon the Head Office. It is not incumbent on a postmaster to supply such information relative to local or provincial offices.

An order once issued cannot be cancelled; and should repayment or transfer to a different office be required, the remitter or payee must apply to the paying postmaster.

The remitter of an order has full control over the money until payment has been made. He may make his order payable ten days after date, provided that, in the presence of the postmaster, when he obtains the order, he affixes thereto, in the space after the request C., a penny receipt stamp, and write his signature across the stamp.

When an order is presented for payment (otherwise than through a bank), the postmaster has first to see that the signature of the payee be in agreement with the advice. He has then to call on the applicant to give the name of the remitter; and if the reply be correct, the order will be paid, unless the postmaster have good reason for believing that the applicant is neither the rightful claimant, nor deputed by him. When an order is presented through a bank, crossed with the name of the bank by some person known to be in the employment of the bank, the usual formalities on presentation are dispensed with.

Money Orders do not require a receipt stamp.

Although at the end of twelve months from that in which it was issued, a Money Order, if still unpaid, becomes legally void, nevertheless, when a good reason can be given for the delay in presenting it, an application for payment, subject to a certain deduction, is entertained.

No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time.

After once paying a Money Order, by whomsoever presented, the office is not liable to any further claim.

To guard against fraud, the remitter is recommended—

1. When he is well known to the payee, to sign the letter enclosing the order with his initials only.

2. When this is not the case, either to make the order payable ten days after date, or to register the letter enclosing it, or to make the order payable through a bank by crossing it like an ordinary cheque.
3. When it is not considered expedient to adopt either of these courses, to send the remitter's name (without a knowledge of which payment cannot be obtained) in a separate letter from that containing the Money Order.

Payment of an order cannot be made on the same day on which it is issued.

In case of the miscarriage or loss of an inland Money Order in transmission through the post, a duplicate is granted on a written application giving particulars to the Controller of the Money Order Office in England, Scotland, or Ireland, as the case may be, where the original order was *issued;* but for an order otherwise lost, a charge of 1s. for sums not exceeding £5, and 2s. for sums not exceeding £10 is made for a duplicate order. If it be desired to stop payment of an inland order, application must be made at the office where the order is payable, and a second commission in postage stamps enclosed. If alteration in the name of the payee or remitter of an inland Money Order should be required, application must be made by the remitter to the postmaster of the office at which the order was issued, accompanied with a second commission. Should transfer of payment of an inland order from one office to another in the United Kingdom, or repayment of the amount of an order, be required, an application enclosing the order must be made to the postmaster at whose office the order is payable, who will transmit in exchange a new order payable at the place desired, but for a less sum than the original order by the amount of the second commission. Proper printed forms for making applications in all these cases may be obtained at any Money Order Office. Whenever, on complaint being made, it is found that the necessity for an application, entailing the payment of a fresh commission, is attributable to the Post Office, the charge will be remitted to the applicant, and imposed on the officer in fault.

A postmaster is required to give information how to apply for a duplicate order, etc., and must furnish the prescribed form of application. If payment of an order be refused in consequence of the replies to the questions respecting the remitter, or the signature on the order, not corresponding with the entries in the advice, the applicant for payment should communicate with the remitter, and request him to apply personally to the issuing postmaster.

Money Orders are issued in the United Kingdom on the undermentioned countries and agencies, at the following rates for sums not exceeding:—

£2. 0s. 6d.	£5. 1s. 0d.	£7. 1s. 6d.	£10. 2s. 0d.

In the case of orders to and from Austria, Bulgaria, Denmark, Danish West Indies, Iceland, Egypt, Germany and Heligoland, Holland, Hungary, Dutch East Indies, Norway, Portugal, Roumania, Sweden, Switzerland, India, and the Ottoman Towns mentioned, the original order should be retained by the remitter, a new order in the currency of the country of payment being issued by the Chief Office of that country, and sent to the payee.

In the case of Belgium, France, Hawaii, Italy, Japan, N. Borneo, the United States, Canada, and the British Possessions and Colonies generally, India excepted, the order should be sent to the payee by the remitter.

The issue of a duplicate order, or the stoppage of payment of an order issued by a colony or foreign country on the United Kingdom, will be made on application to the Controller of the Chief Money Order Office, London, provided an additional commission of 1s. for sums not exceeding £5, and 2s. for sums above £5 and not exceeding £10 be enclosed. For a duplicate order and for stoppage of payment an additional commission at the ordinary inland rates. Postmasters in the United Kingdom have power to transfer to other offices in the United Kingdom payment of colonial and foreign orders originally drawn on their own offices.

Orders issued in the United Kingdom on Austria, Bulgaria, Belgium, Denmark, Danish West Indies, the Dutch East Indian Possessions, Egypt, France, Hawaii, Holland, Hungary, Italy, Japan, Norway, Ottoman Towns mentioned, Portugal, Roumania, Sweden, Switzerland, United States, and the British Colonies and Possessions, are payable for twelve months after the month of issue. Orders issued on the German Empire and India are subject to the regulations which govern the payment of Money Orders in those countries; and those to Heligoland are subject to the same rules as those for the German Empire.

Orders for the British Colonies and other possessions abroad, excepting Canada and India, are drawn in Sterling, but in those Colonies where the local currency is other than Sterling, payments may be made to the nearest equivalent in the legal currency of the place.

POSTAL ORDERS.

The following are the amounts for which Postal Orders are issued, together with the poundage payable in respect of each order:—

1s. or 1s. 6d., ...	½d. each.
2s., 2s. 6d., 3s., 3s. 6d., 4s., 4s. 6d.	
5s., 7s. 6d., 10s., or 10s. 6d., .	1d. each.
15s. or 20s., ...	1½d. each.

Broken amounts may be made up by affixing postage stamps not exceeding 5d. to the face of the Order.

The person to whom a Postal Order is issued must, before parting with it, fill in the name of the person to whom the amount is to be paid, and may fill in the name of the Money Order Office at which the amount is to be paid. The person so named must, before payment can be made, sign the receipt at the foot of the order, and must also fill in the name of the Money Order Office, if that has not been already done.

Every person obtaining a Postal Order should keep a record of the number, date, and office of issue to facilitate inquiry in case of loss.

If a Postal Order be crossed '_____ & Co.,' payment will only be made through a banker, and if the name of a banker is added, payment will only be made through that banker.

A Postal Order presented by or through a banker for payment will not (in the absence of an express arrangement between such banker and the Postmaster-General to the contrary) be paid until after such order has been examined at the Chief Office in London.

After a Postal Order has once been paid, to whomsoever it is paid, the Postmaster-General will not be liable for any further claim.

If any erasure or alteration be made, or if the order is cut, defaced, or mutilated, payment may be refused.

A postmaster may require the person presenting an order to sign his name on the back before its payment, although the receipt has already been signed.

After the expiration of three months from the last day of the month of issue, a Postal Order will be payable only on payment of a commission equal to the original poundage, and an additional poundage will be charged for every period of three months, or portion thereof; and the commission thus paid must be affixed in postage stamps on the back of the order.

These orders are only payable in the United Kingdom, Constantinople, Gibraltar, and Malta.

Postal Order business is transacted during the hours at which postage stamps can be purchased.

POST OFFICE SAVINGS BANKS.

Post Office Savings Banks are established at all Money Order Offices, and are open for bank business during the same hours as for money orders.

Deposits of one shilling, or of any number of shillings, may be made, but no one may deposit more than £30 in one year ending 31st December, or make any further deposit when the amount standing in his name, exclusive of interest, has reached £150. The limits of £30 and £150 are irrespective of any sums, not exceeding £100, deposited for the purpose of immediate investment in Government Stock, and in connection with Government insurance and annuities.

Any person desirous of saving one shilling by means of penny contributions, may do so by purchasing with every penny so saved a Penny Postage Stamp, and affixing it to a form to be obtained at any Post Office. When twelve such stamps have been so affixed, the form may be taken to any Post Office Savings Bank, where it will be received and accepted as a deposit of one shilling.

Interest at the rate of £2, 10s. per cent. per annum is allowed until the sum amounts to £200, when interest ceases. The calculation is made from the first day of the calendar month next following the day on which a complete pound shall have been deposited or completed up to the last day of the calendar month preceding the day on which a warrant for repayment is issued; and after 31st December the interest is added to the principal.

Besides, ordinary deposits may also be made—

(A.) By a trustee on behalf of another person, in the joint names of the trustee and such person; but repayment of the same, or any part thereof, will not be made without the receipts of both parties. A person may act as trustee in any number of accounts, and at the same time have an account in his own name.

(B.) By two persons jointly on their own behalf, provided neither of them is already a depositor.

(C.) By, or for the benefit of, children; but in the case of a child under the age of 7 years, the money is not repayable until he attains that age, except in the case of death.

(D.) On behalf of any legally established friendly, charitable, or provident society, or penny savings bank; application, with a copy of the rules, being first sent to the Controller of the Savings Bank Department. Such societies, etc., are allowed to invest considerably beyond the usual limits, and in some cases without restriction as to amount.

(E.) In the name of the Registrar of any County Court. Under the 24th sect. of the Act 30 and 31 Vict. c. 142 (County Courts Act), 'trust moneys' not in excess of £500 may be thus deposited; and under the 26th sect., money paid into a County Court in 'equitable proceedings' may be deposited by the Registrar without restriction as to amount.

Deposits may be made by married women. Particulars relating to such deposits may be learned at any Savings Bank Office.

Once in each year, on the anniversary of the day on which the first deposit was made, the depositor should forward the deposit book to the Controller of the Post Office Savings Bank Department in London, in order that it may be compared with the books of the department, and the interest due to the depositor inserted in it.

When a depositor wishes to make a withdrawal from his account, he should fill up and forward to the Savings Bank Department a notice of withdrawal, which he can obtain at any Post Office Savings Bank. He will then receive by post a warrant, which he should present together with his book at the Post Office where payment is to be made.

Postmasters and other officers of the Postmaster-General employed in the receipt or payment of deposits, are strictly forbidden to disclose the name of any depositor, or the amount deposited or withdrawn, except to the Postmaster-General, or to such of his officers as are appointed to assist in carrying out the provisions of the Post Office Savings Banks Act.

INVESTMENTS AND SALES OF GOVERNMENT STOCK.

A depositor in the Post Office Savings Bank who desires to invest in Government Stock, must send to the Controller of the Savings Bank Department, General Post Office, London, together with his deposit book, an application signed by him on a form to be obtained at any Post Office Savings Bank. Such investments can be made in Consolidated, Reduced, or New Three per Cent. Stock, or in Two and Three-Quarters or Two and a Half per Cent. Stock.

Within seven days from the receipt of such application the depositor's account will be charged with the current price of the Stock purchased and the commission, the necessary entries being made in his deposit book; and the depositor will be credited in the Government Stock Register of the Post Office Savings Bank with the equivalent amount of Stock, and a certificate sent him.

The sum invested must not be less than £10, or the amount of the current price of £10 Stock with the addition of the commission, whichever sum is least, and not more than £100 Stock can be credited to an account in any year ending 31st December, or £300 in all.

For an immediate investment in Government Stock a deposit to an amount not exceeding the value of £100 Stock with the commission may be made in one year ending the 31st December.

Dividends in respect of Stock standing to a depositor's credit will be carried to his deposit account.

A depositor who desires to sell the Stock standing to his credit, or part of the Stock, must send to the Controller of the Savings Bank Department, London, together with his deposit book and investment certificate, an application signed by him on a form obtainable at any Post Office Savings Bank.

Within seven days of the receipt of such application the sale will be effected at the current price of the day of sale, and a warrant will be sent the depositor for the amount realized, less commission.

The commission chargeable on investment, including the receipt of dividends, and on the sale of Stock, is 9d. for the first £25, and 6d. for every additional £25.

Particulars regarding *Stock certificates* may be learned at any Money Order Office.

GOVERNMENT INSURANCE AND ANNUITY.

The Postmaster-General is empowered to insure the lives of persons of either sex, between the ages of 14 and 65, for not less than £5 or more than £100; or, if the amount does not exceed £5, not under the age of 8 years. He is also empowered to grant immediate or deferred annuities of not less than £1 or more than £100 to any person not under the age of 5 years.

Tables of insurance and annuities may be seen at any Money Order Office.

INSURANCES.

The following examples show various ways in which insurances may be effected:—

The life of a male or female between 21 and 22 years of age may be insured for £10—

By an annual payment throughout life of	£0	4	4
By an annual payment to the age of 60 of	0	4	8
By a single payment of	4	4	0

A sum of money may be insured on the attainment of the age of 60 years, or sooner in the event of death, by the payment of a single or annual premium, and a sum of money may be insured at the expiration of 10, 15, 20, 25, 30, 35, or 40 years, or sooner in the event of death, by the payment of a single premium according to the age of the insured person.

Insurances for sums not exceeding £25 will be granted without a medical examination, but in such cases, if the insurant should die before the second premium becomes payable, the amount of the first premium, and no more, will be paid to his representatives, and if he should die after the payment of the second premium and before the third premium becomes payable, half the amount insured, and no more, will be paid to his representatives. In either of these cases, however, if it shall be proved to the satisfaction of the Postmaster-General that the death of the insured person was caused by accident, the full amount insured will be paid.

Persons proposing to insure for sums not exceeding £25 may undergo a medical examination, if they so desire, by payment of a fee of 2s. 6d. to the medical examiner, in which case they would be entitled to the full benefit of insurance immediately the policy is granted.

No one life can be insured for less than £5, but when a life has been insured for £5 further insurances may be effected on the same life from time to time for any amount until the whole sum for which it is insured amounts to £100.

If, after having duly made his payments for a period of two years, an insurant should be unable to continue or should desire to discontinue the payments, such sum of money as the National Debt Commissioners shall specify will be returned.

The following examples show various ways in which different kinds of annuities may be obtained.

When the condition of the contract is to be that no part of the purchase money shall, in any event, be returned:—

A male aged 24 may purchase a deferred annuity of £1, to commence on his reaching the age of 54, and to be payable half-yearly, either by an annual payment until he reaches the age of 54 of	£0	4	4

A deferred annuity of the same amount, to commence at the age of 55 years, can be purchased for a child of the male sex aged 5 years, either by an immediate payment of £1, 19s. 8d., or by an annual payment of 1s. 8d. if the purchase money be not returnable, and by an immediate payment of £3, 17s. 8d., or by annual payment of 2s. 8d. if the purchase money be returnable.

Any two persons may purchase an immediate annuity on their joint lives, with or without continuance of the annuity to the survivor.

POST OFFICE TELEGRAPHS.

The charge for telegrams throughout the United Kingdom is 6d. for twelve words, and ½d. for every additional word. The names and addresses of the sender and receiver being counted.

Telegrams written in plain language in any European tongue or in Latin are charged for according to the number of words; but all unintelligible words not forming part of any European language or of Latin are charged for at the rate of five letters to a word.

Copies of a telegram directed to more than one person or firm in the same free delivery will be delivered at an additional charge of 2d. per copy.

When the terminal telegraph office, *i.e.* the office nearest to the address, is a Head Post Office, the amount paid for the transmission covers the cost of delivery within one mile, or within the town postal delivery of that office if more than a mile. But when it is not a Head Post Office, the message is delivered free only within the limit of one mile.

When the terminal office is a sub-office, and that office is closed, exemption from porterage is allowed for one mile only if the telegram is delivered from the Head Office, even though the address of the telegram be within the limits of the town postal delivery.

When the address is beyond the free delivery, porterage is charged at the rate of 6d. per mile, or any part thereof, provided the whole distance does not exceed three miles; but the charge is calculated from the boundary within which no porterage is levied.

If the address is more than 3 miles from the terminal office, porterage is charged for by mounted messenger at the rate of 1s. per mile, except in Ireland, where the charge is usually 8d. per mile, the charge being reckoned from the office.

The sender is responsible for all charges incurred in delivery. When the exact distance is not known, a deposit must be paid to meet the charges.

If the sender requires his telegram to be forwarded by post or by train from the terminal office, he must write the words 'by post' or 'by train' at the end of the address, and in the latter case he must pay the cost, or deposit 1s. if the cost is not known. If the telegram is to be posted to a place abroad, he must write 'Post ——' at the end of the address, and prepay the postage.

A deposit of 5s. is required upon all telegrams addressed to a ship, unless the ship be alongside a wharf; any surplus is refunded.

Telegrams may be repeated at the request of the sender, by being signalled back from office to office. The charge for repetition is one-half the ordinary tariff; a fraction of a halfpenny being reckoned as a halfpenny.

If the receiver of a telegram doubts its accuracy, he may have it repeated by depositing half the amount paid for its transmission, and the amount will be refunded if found to be incorrectly transmitted, or he may have part of it repeated under the same conditions, but the minimum charge is 3d.

The cost of a reply to a telegram, not exceeding forty-eight words, may be prepaid; and a Reply Form will then be delivered to the addressee, who will be at liberty to send his reply, from any telegraph office, at any time within two months. If the Form be not used, it may within the same period be sent to the Secretary, G.P.O., London, and the value will be refunded. A Reply Form need not necessarily be used for a reply, but may be used for another message.

Telegrams re-directed to a second address are liable, if any additional service is performed, to an additional charge of 6d. if the two addresses are within the same town, but if the addresses are in different towns the full inland rate is charged. Removals are registered free for one month when this is especially requested; and instructions for the re-direction of Telegrams at hours when the place of business is closed are registered on payment of £1, 1s. per annum; but in both these cases the telegrams are subject to the usual charges for re-direction and porterage.

Persons not wishing to send to a telegraph office may post a telegram, addressed 'Telegram—Immediate,' in a wall or pillar box, or in the letter-box of a receiving office or sub-post office. Telegrams so posted are sent on to the nearest telegraph office by the next collection. The period of arrival at the postal telegraph office is regarded as the time of receipt from the public.

Telegrams posted insufficiently prepaid are forwarded to their destination, the difference of charge being obtained from the addressee; but unpaid telegrams are not forwarded.

No combination of words is counted as one word, with the exception of those which are ordinarily coupled by hyphens, such as 'mother-in-law,' 'non-delivery,' 'fifty-one,' etc.

The following exceptional compound words are charged for as one word:—MacDonald, midday, midnight, noon-day, se'nnight, cannot, to-day, to-night, to-morrow, yesternight, yesterday, halfpenny, twopence, St Andrews, etc.

Figures are counted at the rate of five to a word; and in fractions according to the number of figures employed, one figure being counted for the mark of division,—thus ½ is one word, and 246½ two words. Groups of figures, such as $1^3/_4$ and 2/3/4, not comprising more than five figures, are counted as one word; but in irregular combinations, such as 0/25, 0/1/4, and $2\frac{1}{2}/9$, the *oblique* line is counted as a *word*.

In groups of figures a stop is counted as a figure. The symbols *o/o*, *a/c*, *b/l*, and *c/o* are each counted as a word.

Ordinal numbers are charged in the same way as cardinal, with the addition of one word for the affix *st*, *nd*, *rd*, *th*.

When a group of figures is followed by a letter, thus 123*a*, the letter is counted as a word.

When the sender of a telegram desires words to be underlined, or placed in a parenthesis, or within inverted commas, two extra words are charged for; and when the sender desires that special instructions be written on the envelope enclosing the telegram, such is charged for as part of the message.

Telegrams addressed to a Telegraph Office, to be called for, are kept for two days, and if not then claimed are sent to the Chief Office, London.

Any person may register an abbreviated address on payment of the fee of 21s. a-year.

Telegraph offices are, as a rule, open from 8 a.m. to 8 p.m., and from 9 a.m. to 10 a.m. on Sundays. There are, however, offices in several of the larger towns which are open longer; and at various offices in London and in the country the attendance is continuous. G.P.O., Edinburgh, always open.

FOREIGN TELEGRAMS.

Foreign telegrams are divided into three classes —ordinary, code, and cypher. Ordinary telegrams

are those composed of words, figures, and letters conveying an intelligible meaning.

Code telegrams are those composed of words, the context of which has no intelligible meaning. Proper names are not allowed in the text of code telegrams, except in their natural sense; words of more than ten letters are not allowed.

In code telegrams, only English, French, German, Italian, Spanish, Portuguese, Dutch, and Latin may be employed; but words of any or all of these languages are allowed.

Cypher telegrams are those containing series or groups of figures or letters having a secret meaning; or words not to be found in a standard dictionary of the language. The cypher must be composed exclusively of figures or letters. Cypher telegrams written in letters are only accepted for places in Europe or North America.

Every separate letter or figure is charged for as a word. In European telegrams, every group of five figures or letters is counted as a word, larger groups being counted at the rate of five to a word, plus one word for any excess. In Extra-European telegrams, groups of figures (or letters when used as trade-marks) are counted at the rate of three to a word, plus one word for any excess. Bars of division, decimal points, and stops used in the formation of numbers are counted as figures. Letters added to figures to form ordinal numbers are counted as figures.

The address of the receiver must be paid for, and must not consist of less than two words, a name and town. Example: Hercules, Bombay.

The address of the sender is charged for, if transmitted; in any case, it must be written at the foot of the form.

In ordinary European telegrams, the length allowed for a word is 15 letters, in extra-European telegrams 10 letters; any additional letters being charged for at the rate of 15 or 10 letters respectively to the word.

Ordinary compound words and names of persons and places, etc., written without break or interruption, are counted as single words. If joined by a hyphen, or separated by an apostrophe or other sign of punctuation, they are counted as so many separate words. The name of the place and country of designation in the addresses of telegrams are charged for as one word each, when so written by the sender, whatever their length.

A telegram addressed to several persons in the same town, or to the same firm at different localities in the same town, is charged for as a single telegram, and a sum of 5d. must be prepaid for every extra copy to be delivered, if the number of chargeable words does not exceed 100; an additional sum of 5d. being charged for every additional 100 words or part of 100 words. In calculating the charge, all the names and addresses are included; but telegrams of this kind are not accepted for America.

STAMP AND LEGACY DUTIES, ETC.

The following is a list of Stamp Duties according to the schedule of the Act 33 and 34 Vict. c. 97 (amended by subsequent Acts), with the Duty on Policies of Insurance, Patent Medicine, and Plate, and Inventory, Legacy, and Succession Duties, which remain under the former Acts. Generally, the items are given in the words of the schedule. When the sections are merely cited without the Act, they are the sections of 33 and 34 Vict. c. 97. All items in the schedule of the Act relating solely to England and Ireland are excluded. In the same session were passed the Acts 33 and 34 Vict. c. 98, Stamp Duties Management, and 33 and 34 Vict. c. 99, repealing certain enactments relating to the Stamp Duties. The Duties came into operation on the 1st January 1871.

The exemptions in other Acts in force are preserved (§ 3).

Any instrument specifically charged by any previous Act with the duty of 35*s.* is chargeable with the duty of 10*s.*—§ 4.

Instruments relating to the property of the Crown, and to the private property of the sovereign, are liable to same duties as instruments relating to the property of the subject.—§ 5.

Instruments are to be so stamped that the stamp may appear on the face of the instrument, and cannot be applied to any other instrument written upon the same piece of material.—§ 7 (1). Every instrument on the same piece of material is to be separately stamped.—§ 7 (2).

Instruments relating to several distinct matters are to be separately stamped in respect of each.—§ 8 (1). An instrument liable to *ad valorem* duty, if made for any other valuable consideration, is to be charged in respect of it as if it were a separate instrument for such.—§ 8 (2).

If not, penalty on person who executes and on person concerned in the preparation, £10.—§ 10. Instrument chargeable with *ad valorem* duty in respect of stock or marketable security, the duty to be calculated on the value, according to the average price at the date of the instrument.—§ 12.

If the instrument contains a statement of the current rate of exchange, or average price, and is stamped accordingly, it is to be deemed duly stamped until statement shown to be untrue, and that the instrument is in fact insufficiently stamped.—§ 13.

The duties apply to instruments executed in the United Kingdom, and to instruments, wheresoever executed, relating to property situated, or to any matter or thing done or to be done, in the United Kingdom.—§ 17. [Transfer of share registered in a Colonial register under Companies (Colonial Registers) Act, 1883, deemed transfer of property situated out of United Kingdom, and, unless executed in any part of United Kingdom, exempt from British stamp duty.—46 and 47 Vict. c. 30, § 3 (7), (*a*).]

NOTE.—Additional inventory where former inventory exhibited and recorded prior to 1st June 1881 to be chargeable with the stamp duty it would have been chargeable with if 44 Vict. c. 12 had not been passed. By 16 and 17 Vict. c. 59, § 8, an additional inventory shall be chargeable only with such amount of stamp duty as, together with the stamp duty charged upon the former duly stamped inventory of the estate and effects of the same deceased person, shall make up the full amount of stamp duty in respect of the total amount of all the estate and effects of the deceased specified in the said additional and any such former inventory.

Exemptions.—Inventory of the estate of any common seaman or soldier dying in service.

Additional inventory when the duty on the whole estate does not exceed that already paid on the former inventory.

§ 5. Depositor in Savings Bank, not being under 16 years of age, may nominate.

§ 7. Member of Trade Union dying intestate, and not having made nomination, directors may pay to person appearing entitled.

§ 10 (2). Nomination or payment under Act not to affect inventory duty.

(These provisions do not apply to Building Societies, 76 L. T. 183, 12th January 1884.)

And see *Savings Bank* under GENERAL EXEMPTIONS, preceding page.

Pensions and Yeomanry Pay Act—Personal estate whether arising from pay, pension, allowances, surplus property, prize money, or otherwise however, held under control of Secretary of State, may be distributed without requiring probate if not exceeding £100. (47 and 48 Vict. c. 55, ∞4.)

Notwithstanding provision in local or private Act, probate, administration or confirmation necessary to establish right to recover any part of estate and effects of deceased person situated in United Kingdom—provision not applicable to life policy dated before 1st July 1884; also not applicable to policies granted after that date where insurance companies deduct duty and pay it to the revenue. (47 and 48 Vict. c. 62, § 11.)

PROPERTY LIABLE TO THE DUTY.—*Generally*—All personal property (heritable securities are personal property which include bonds of annual rent and bonds of annuity and real burdens on land, but not securities by absolute disposition qualified by back bond) belonging to the deceased in the United Kingdom, heritable securities, and bonds excluding executors, and also money secured by *ex facie* absolute dispositions. (48 Geo. III. c. 149, § 38, etc.; 55 Geo. III. c. 184, Schedule, Part III.; 21 & 22 Vict. c. 56, §§ 9, 12, 13, etc.; and 16 & 17 Vict. c. 59, § 8; 31 & 32 Vict. c. 101, §§ 3 and 117; 37 & 38 Vict. c. 94, § 30; and 23 & 24 Vict. c. 80.)

Personal Property—Absolute power of disposal.—Personal estate which a person dying after 3d April 1860 shall have disposed of by will, under any authority enabling such person to dispose of the same as he shall think fit, shall be deemed personal or moveable estate of the person so dying, for the purpose of payment of inventory, probate, or administration duty. (23 Vict. c. 15, § 4.)

Indian Promissory Notes—Ships.—Indian Government promissory notes and certificates issued, or stock in lieu thereof, being assets of a deceased person, the interest of which halls be payable in London, registered in London, or enfaced in India for the purpose of such registration, before the death of the owner; also Indian Government promissory notes with coupons attached, in the same circumstances as to registration, and certificates issued, or stock created in lieu thereof, shall be personal estate and *bona notabilia* in England of the deceased person (23 Vict. c. 5, § 1): Also any *ship*, or any share of a ship, belonging to a deceased person, registered in any port in the United Kingdom, notwithstanding such ship at the time of the death may have been at sea, or elsewhere out of the United Kingdom, shall be deemed to be at the port at which she may be registered (27 & 28 Vict. c. 56), and liable to inventory, probate, or administration duty.

Specialty Debts.—For probate and administration duty, debts and sums of money due from persons in the United Kingdom to a deceased on obligation or other specialty, shall be estate and effects of the deceased within the jurisdiction of Her Majesty's Court of Probate in England or Ireland in which the same would be if they were debts upon simple contract, without regard to the place where the obligation or specialty shall be at the time of the death. (25 Vict. c. 22, § 39.)

Foreign Bonds and Stocks.—Documents of the debts of foreign governments and foreign companies which pass from hand to hand are property where the documents may be. Debentures or bonds by foreign companies and governments, and the title to stocks of foreign companies and governments, are property in this country if in the possession of any person in this country, and can be sold in the market, and the title of the purchasers completed to them in this country. See Attorney-General *v.* Bouwens, 4 Meeson and Welsby 171.

Companies — Colonial Registers. — Companies under the Companies Acts whose objects comprise business in a Colony may have a branch register of members resident in said Colony. The share of a deceased member registered in such Colonial register shall be part of the estate of such deceased member for inventory duty, in like manner as if the registration had been in the registered office of the company. (46 & 47 Vict. c. 30, § 3 (7) (*b*).)

Rents of Heritage.—If the deceased survive Whitsunday, one moiety of the rents of the crop of that year is personal estate. If he survive Martinmas, the whole rents of that crop fall into the executry. In addition, from and after 1st August 1870, the Act 33 & 34 Vict. 1870, c. 35, would seem to give the executor a proportion of the rents from the term preceding the date of death to the date of death. That Act would also seem to give a proportion of the term's rents of quarries, minerals, and houses, and also feu-duties current at the death. The executor's right to house rents would not therefore be to the half-year's rents current at death, but to a proportion only to the date of death.

ACCOUNT STAMP DUTY.

Property taken as a donation mortis causa, *or by* inter vivos *Disposition or Transfer within three months before death—Property, the beneficial interest in which accrues by survivorship —Property passing under voluntary settlement, an interest for life or an absolute power of revocation being reserved to the Settlor.*—Such property, being that of a person dying on or after 1st June 1881, is liable to stamp duties at the like rates as charged on inventories. (44 Vict. c. 12, § 38.)

The duties are payable on an account, forms of which and relative affidavit may be obtained at the Inland Revenue Office (Legacy and Succession Duty Department).

MODES IN WHICH DUTY MAY BE PAID.

When deceased domiciled in Scotland.—In the case of a person dying domiciled in Scotland having personal property in Scotland, England, and Ireland, and also heritable securities excluding executors, and personal bonds excluding executors, duty in respect of the whole may be paid on the inventory required to be recorded in the Sheriff Court; or inventory duty may be paid on the personal property situated in Scotland, including heritable securities made moveable by the Act 31 & 32 Vict. c. 101, § 117, and duty may be paid on a 'special inventory' of the heritable securities excluding executors, and personal bonds excluding executors, and probate or administration may be obtained in England and Ireland in respect of the personal estate in these countries, and duty paid in respect of such on these instruments.

When deceased domiciled furth of the U. K.—In case of a person dying domiciled furth of the United Kingdom leaving personal estate in Scotland, England, and Ireland, an inventory must be given up in Scotland, probate or administration taken out in England and Ireland, and duty paid on such in respect of the property in each country.

In exhibiting inventories after 1st June 1881, the amount of debts due and owing by the deceased to persons in the United Kingdom, and funeral expenses, may be deducted from the value of the estate for the purpose of paying the inventory duty. The amount of such to be delivered with or annexed to the inventory.

The debts not to include debts payable on death, or payable under instruments not *bona fide* delivered three months before death. The Commissioners of Inland Revenue, within three years, may call for evidence of the contents of, or particulars verified by, the inventory.

Where the gross estate of a deceased person dying after 1st June 1881 does not exceed £300, and the estate exceeds £100, if an inventory shall be given up in accordance with the special provisions of the Act, the duty to which the inventory is liable is 30s. (44 Vict. c. 12, § 34.)

Additional and Corrective Inventories.—If there shall be any omission in the inventory inferring the payment of further duty, an additional inventory is required to be exhibited (48 Geo. III. c. 149, § 38; 16 and 17 Vict. c. 59, § 8). The stamp on the additional inventory is required to be of an amount sufficient to make up the stamp duty in respect of the total amount of all the estate. If the estate shall be over-estimated, or if something shall be improperly included in the inventory, a corrective inventory, duly stamped, requires to be exhibited. Allowance of the original inventory as a spoiled stamp will be obtained within six months after the recording of the second inventory.

RETURN OF INVENTORY DUTY.

Where inventory duty and probate and administration duty are paid on the whole personal property, without deduction of debts, the Act 5 & 6 Vict. c. 79, § 23, provides for a return being given on proof of the constitution and payment of the debts. This return must be claimed within three years; but the time will be prolonged on application to the Board of Inland Revenue. No return to be granted in respect of a voluntary debt due from a person dying after 28th June 1861, expressed to be payable on the death of such person, or payable under an instrument which shall not have been *bona fide* delivered to the donee three months before the death of such person. (24 & 25 Vict. c. 92, § 3.)

Note.—Forms of inventory and additional inventory will be found in Currie's *Confirmation of Executors*, p. 247–267. Forms of inventories, and also regulations for return of inventory duty, may be obtained at the Legacy Duty Office, Inland Revenue, Edinburgh.

The Commissioners of Inland Revenue have power to accept a composition for legacy duty under a will. (44 Vict. c. 12, § 43.)

Duty on legacies and residues in arrear—interest thereon at the rate of 4 per cent. is payable. (31 and 32 Vict. c. 124, § 9.)

Estates not exceeding £300, and deceased dying on or after 1st June 1881—payment of fixed duty of 30s. on inventory to be in full of claim to legacy duty on estate to which such inventory relates. (44 Vict. c. 12, § 36).

Printed forms and regulations for payment of the legacy duty may be obtained gratis, on application at the Legacy Duty Office, Inland Revenue, Edinburgh; and at the offices of distributors of stamps in the country.

SUCCESSION DUTY.

(16 and 17 Vict. c. 51, and 51 Vict. c. 8, § 21.)

The duty on HERITABLE PROPERTY is charged on the annual value, after allowance of the necessary outgoings (§ 22), as an annuity for the life of the successor (§ 21), which is to be valued by tables annexed to the Act.

PERSONAL PROPERTY is liable to duty according to the value of the succession; and money charged on heritage—heritable securities—is charged as personalty (§ 1).

K. (§ 115), but see as to no interest being payable in the United Kingdom (34 Vict. c. 4, §§ 1 and 2).

Policy of Sea Insurance unstamped or insufficiently stamped produced in court of civil judicature may be stamped on payment to the officer whose duty it is to read it of unpaid duty and penalty of £100 and further sum of £1 (39 Vict. c. 6, § 2).

Receipt may be stamped with impressed stamp—

1. Within fourteen days after given, penalty £5.
2. After fourteen days and within a month, penalty £10.

In any other case, not to be stamped (§ 122).

Other Instruments *as to which no express provision to prohibit:*

May be stamped after execution, on payment of the unpaid duty, and a penalty of £10, and by way of further penalty, where the unpaid duty exceeds £10, of interest on such duty at the rate of £5 per cent. from the first date of the instrument up to the time when such interest is equal in amount to the unpaid duty.

And the payment of any penalty or penalties is to be denoted on the instrument by a particular stamp (§ 15 (1)).

Instruments executed after the Act, 50 Vict. c. 8, 16th May 1888, which are chargeable with ad valorem stamp duty under the undermentioned heads, viz.:—

(*a*) Bond, covenant, or instrument of any kind whatsoever;

(*b*) Conveyance or transfer on sale;

(*c*) Lease or tack (including an agreement for a lease or tack for any term not exceeding thirty-five years);

(*d*) Mortgage, bond, debenture, covenant, and warrant of attorney to confess and enter up judgment;

(*e*) Equitable mortgage;

(*f*) Settlement;

(*a.*) Instrument may be stamped within thirty days after first executed, or after first received in the United Kingdom, if first executed out of the United Kingdom, unless it has been lodged for adjudication.

(*b.*) If lodged for adjudication, it may be stamped in accordance with the assessment within fourteen days after notice of assessment.

(*c.*) If instrument not duly stamped in conformity with the foregoing provisions, the person specified in the First Schedule to the Act (viz. the person in whose favour the instrument operates, or the settlor) is to forfeit the sum of £10, and in addition to the penalty payable by law on stamping the instrument there is to be paid an additional penalty equivalent to the stamp duty thereon, unless a reasonable excuse for the delay in stamping, or for the omission to stamp, or the insufficiency of stamp, be afforded to the satisfaction of the Inland Revenue, or of the court, judge, arbitrator, or referee before whom it is produced.

The personal penalty is to be sued for by information in the Court of Exchequer, in the name of the Lord Advocate, and may be recovered with full costs of suit.

The Board are empowered to reward any person who may inform them of any case in which the personal penalty has been incurred, or who may assist in the recovery of such penalty.

Instruments first executed abroad:

May be stamped within thirty days after first received in the United Kingdom, on payment of the unpaid duty only (51 Vict. c. 8, § 18). (But policies of sea insurance made or executed out of the United Kingdom can only be stamped within ten days after being received in this country. 50 & 51 Vict. c. 15, § 6.)

Board may remit penalties within three months.—(*b*) The commissioners may, if they think fit, at any time within three months after the first execution of any instrument, remit the penalty or penalties, or any part thereof. (51 Vict. c. 8, § 18 (2).)

(See Note *a*.)

Unstamped or insufficiently stamped instruments produced in Court, if duty and penalty be paid to officer of Court, may be received in evidence.—§ 16 (1.) Upon the production of an instrument chargeable with any duty as evidence in any court of civil judicature in any part of the United Kingdom, the officer whose duty it is to read the instrument shall call the attention of the judge to any omission or insufficiency of the stamp thereon, and if the instrument is one which may legally be stamped after the execution thereof, it may, on payment to the officer of the amount of the unpaid duty, and the penalty payable by law on stamping the same as aforesaid, and of a further sum of £1, be received in evidence, saving all just exceptions on other grounds.

The provision of this section is by 39 Vict. c. 6, § 2, to apply to sea policies, but penalty is £100 and a further sum of £1.

The officer of the Court to account for duties and penalties.—(2.) The officer receiving the said duty and penalty shall give a receipt for the same, and make an entry in a book kept for that purpose of the payment and of the amount thereof, and shall communicate to the commissioners the name or title of the cause or proceeding in which, and of the party from whom, he received the said duty and penalty, and the date and description of the instrument, and shall pay over to the Receiver-General of Inland Revenue, or to such other person as the commissioners may appoint, the money received by him for the said duty and penalty.

Commissioners to stamp instrument.—(3.) Upon production to the commissioners of any instrument in respect of which any duty or penalty has been paid as aforesaid, together with the receipt of the said officer, the payment of such duty and penalty shall be denoted on such instrument accordingly.

a. Instruments to have stamps impressed are received at the Cashier's Office, No. 3 Inland Revenue, Edinburgh, to be stamped, if within thirty days of the first date (the solicitor may in certain circumstances receive them within thirty days of the last date), on payment of the duty; if beyond that date, they are received at the Solicitor's Office, No. 5, and are stamped on payment of the duty and penalty. Persons applying will be furnished with a schedule to be filled up and presented, along with the instrument. The amount of duty sought to be impressed is to be inserted in the schedule by the applicant before being presented, and the duty is to be paid at the time of the application.

The collector of Inland Revenue at Glasgow is authorized to receive and transmit to Edinburgh (without charge for transmission), for the purpose of being stamped, all kinds of unexecuted documents, and all such executed instruments as may legally be stamped, on payment of the duty, and penalty (if any).

Agreements liable to the duty of 6d. must be lodged within fourteen days of their date, in order to be stamped without penalty.

ADJUDICATION.

Doubts as to Sufficiency of Stamps may be Removed.

The commissioners may be required to express their opinion as to duty.

Mode and effect of proceeding.—§ 18 (1.) Subject to such regulations as the commissioners may think fit to make, the commissioners may be required by any person to express their opinion with reference to any executed instrument upon the following questions:—

(*a*.) Whether it is chargeable with any duty;

(*b*.) With what amount of duty it is chargeable.

(2.) If the commissioners are of opinion that the instrument is not chargeable with any duty, such instrument may be stamped with a particular stamp denoting that it is not chargeable with any duty.

(3.) If the commissioners are of opinion that the instrument is chargeable with duty, they shall assess the duty with which it is in their opinion chargeable, and if or when the instrument is duly stamped in accordance with the assessment of the commissioners, it may be also stamped with a particular stamp denoting that it is duly stamped.

(4.) Every instrument stamped with the particular stamp denoting either that it is not chargeable with any duty, or is duly stamped, shall be admissible in evidence, and available for all purposes, notwithstanding any objection relating to duty.

(5.) Provided as follows:—

(*a*.) *Instrument to be stamped according to opinion.*—An instrument upon which the duty has been assessed by the commissioners shall not, if it is unstamped or insufficiently stamped, be stamped otherwise than in accordance with the assessment of the commissioners.

(*b*.) *Securities without limit not to be adjudicated.*—Nothing in this section contained extends to any instrument chargeable with duty, and made as a security for money or stock without limit.

(*c*.) *Also instruments which cannot be stamped.*—Nothing in this section contained shall be deemed to authorize the stamping after the execution thereof of any instrument prohibited by law from being so stamped.

Persons dissatisfied may appeal.—§ 19 (1.) Any person who is dissatisfied with the assessment of the commissioners made in pursuance of the last preceding section may, within twenty-one days after the date of such assessment, and on payment of duty in conformity therewith, appeal against such assessment to Her Majesty's Court of Exchequer in England, Scotland, or Ireland, according to the country in which the case has arisen, and may for that purpose require the commissioners to state and sign a case, setting forth a question upon which their opinion was required, and the assessment made by them.

Mode of proceeding.—(2.) The commissioners shall thereupon state and sign a case accordingly, and deliver the same to the person by whom it is required, and on his application such case may be set down for hearing in the proper court.

(3.) Upon the hearing of such case (due notice of which is to be given to the commissioners) the court shall determine the question submitted, and if the instrument in question is in the opinion of the court chargeable with any duty, shall assess the duty with which it is so chargeable.

(4.) If it is decided by the court that the assessment of the commissioners is erroneous, any excess of duty which may have been paid in conformity with such erroneous assessment, together with any penalty which may have been paid in consequence thereof, shall be ordered by the court to be repaid by the commissioners to the appellant, together with the costs incurred by him in relation to the appeal.

(5.) But if the assessment of the commissioners is confirmed by the court, the costs incurred by the commissioners in relation to the appeal shall be ordered by the court to be paid by the appellant to the commissioners.

The commissioners may call for and refuse to proceed without evidence.—§ 20 (1.) In any case of application to the commissioners with reference to any instrument, the commissioners may require to be furnished with an abstract of the instrument, and also with such evidence as they may deem necessary, in order to show to their satisfaction whether all the facts and circumstances affecting the liability of the instrument to duty, or the amount of the duty chargeable thereon, are fully and truly set forth therein, and may refuse to proceed upon any such application until such abstract and evidence has been furnished accordingly.

Affidavit not to be used otherwise. Person paying full duty relieved of penalty, etc., for omission to state truly in instrument.—(2.) Provided that no affidavit or statutory declaration made in pursuance of this section shall be used against any person making the same in any proceeding whatever, except in an inquiry as to the duty with which the instrument to which it relates is chargeable; and every person by whom any such affidavit or declaration is made shall, on payment of the full duty with which the instrument to which it relates is chargeable, be relieved from any penalty, forfeiture, or disability he may have incurred by reason of the omission to state truly in such instrument any of the facts or circumstances aforesaid.

(See Note *a*.)

DENOTING STAMP.

Duplicates (§ 93).—Conveyance on Sale (§ 76).—Settlement (§ 126), etc.—§ 14. Where the duty with which an instrument is chargeable depends in any manner upon the duty paid upon another instrument, the payment of such last-mentioned duty shall, if application be made to the commissioners for that purpose, and on production of both the instruments, be denoted in such manner as the commissioners think fit upon such first-mentioned instrument. (See Note *b*.)

No discount is allowed on the purchase of postage stamps (including cards, wrappers, envelopes, etc.) or appropriate medicine labels at any Inland Revenue office, nor on appropriated forms, except receipts, cheques or drafts, bills of exchange, and bills of lading.

EXCHANGING SPOILED STAMPS.

STAMP DUTIES MANAGEMENT ACT, 1870 (33 and 34 Vict. c. 98).

Allowance for Spoiled Stamps.—§ 14. The commissioners may make regulations regarding allowance for stamps spoiled in the following cases, viz.:-

Instruments not executed.—(1.) Inadvertently and undesignedly spoiled, obliterated, or by any means rendered unfit for the purpose intended:

Adhesive Stamps.—(2.) Any never used nor affixed to any material, but inadvertently and undesignedly spoiled or rendered unfit for use:

Bills and Notes.—(3.) Signed by the drawer, but not delivered out of his hands to the payee, or any person on his behalf, or deposited with any person as a security for the payment of money, or in any way negotiated, issued, or put in circulation, or made use of in any other manner whatever, and which being a bill has not been accepted by the drawee, and does not bear any signature intended as or for the acceptance.

(4.) Signed by or on behalf of the drawer thereof, but which from any omission or error has been spoiled or rendered useless, although the same, being a bill of exchange, may have been presented for acceptance or accepted or endorsed, or, being a promissory-note, may have been delivered to the payee, provided that another completed and duly stamped bill or note is produced identical in every particular, except in the correction of such error or omission as aforesaid, with the spoiled bill or note:

(5.) The stamp used for any of the following instruments, that is to say—

(*a.*) Presentation to an ecclesiastical benefice not followed by institution:

(*b.*) *Executed Instruments.*—Executed by any party thereto, but afterwards found to be absolutely void in law from the beginning:

(*c.*) Executed by any party thereto, but afterwards found unfit by reason of any error or mistake therein for the purpose originally intended:

(*d.*) Executed by any party thereto, but which, by reason of the death of any person by whom it is necessary that it should be executed, without having executed the same, or of the refusal of any such person to execute the same, or to advance any money intended to be thereby secured, cannot be completed so as to effect the intended transaction in the form proposed.

(*e.*) Executed by any party thereto, which, for want of the execution thereof by some material and necessary party, and his inability or refusal to sign the same, is in fact incomplete and insufficient for the purpose for which it was intended:

(*f.*) Executed by any party thereto, which, by reason of the refusal of any person to act under the same, or by the refusal or non-acceptance of any office thereby granted, totally fails of the intended purpose:

(*g.*) Executed by any party thereto, which, for want of enrolment or registration within the time required by law, becomes null and void:

(*h.*) Executed by any party thereto, which becomes useless in consequence of the transaction intended to be thereby effected being effected by some other instrument duly stamped:

(*i.*) Executed by any party thereto, which is inadvertently and undesignedly spoiled, and in lieu whereof another instrument made between the same parties and for the same purpose is executed and duly stamped:

Provided—

(1.) *Executed Instruments*—

(*a.*) The instrument is given up to be cancelled:

(*b.*) The application is made within *six months* after the date of the instrument, or, if not dated, within *six months* after the execution by the person by whom it was first or alone executed. Except, 1. Where from unavoidable circumstances any instrument for which another instrument has been substituted cannot be given up to be cancelled within the aforesaid period, and in that case within *six months* after the date or execution of the substituted instrument; 2. Where the spoiled instrument has become void for want of enrolment or registration, and in that case within *six months* next after it has so become void; 3. Where the spoiled instrument has been sent abroad, and in that case within *six months* after it has been received back in any part of the United Kingdom:

(*c.*) No action has been brought or suit commenced in which the instrument could or would have been given or offered in evidence:

(2.) *Unexecuted Instruments.*—In the case of stamped material, not having any executed instrument written thereon, and of an adhesive stamp not affixed to any material, the application is made within *six months* after the stamp has been spoiled.

Misused Stamps.—§ 15. Stamp used of greater value than was necessary, or stamp inadvertently used for an instrument not liable to any duty, application within *six months* after the date of the instrument, or, if it is not dated, within *six months* after the execution. The instrument liable to duty to be restamped with the proper duty. The misused stamp to be cancelled and allowed as spoiled.

Allowance how to be made.—§ 16. The commissioners may give in lieu other stamps of the same denomination and value, or if required, and they think proper, stamps of any other denomination to the same amount in value, or, at their discretion, the same value in money, deducting the proper allowance on the purchase of stamps of the like description.

Stamps not wanted may be repurchased by the Commissioners.—§ 17. A stamp not spoiled or rendered unfit or useless for the purpose intended, but for which the person has no immediate use, the commissioners may, if they in their discretion think fit, repay the amount in money, deducting the proper discount. The stamp to be delivered up to be cancelled, and satisfactory proof to be given that it was purchased by the applicant with a *bona fide* intention to be used, and that he has paid the full value thereof without any deduction (except only the amount of such discount), and that the stamp was so purchased within the period

of *six months* next preceding the application at the chief office or at one of the head offices, or from some person duly appointed to sell and distribute stamps, or duly licensed to deal in stamps.

As to the exchange of *Sea Policies* of Insurance, see 30 Vict. c. 23, § 17. The cases for allowing are—

(1.) Where policy shall be inadvertently filled up in an incorrect or improper manner;

(2.) Or be obliterated or otherwise spoiled, and rendered unfit for use;

(3.) Or shall be filled up for some insurances which shall not be proceeded in, and the same shall not be signed by any underwriter.

Application must be made within 6 months after the policy shall be spoiled or become useless.

A supply of forms of affidavits is kept at the Inland Revenue Office, and by the Distributors and Sub-Distributors of stamps, and certain Post-masters, and Claimants may attend at the Inland Revenue Office and have the affidavits taken; or they may get copies of the forms, and take the oath before a justice of the peace, and shortly afterwards lodge the affidavits and the stamps with any of the above officers. If not brought within ten days or a fortnight, the stamp will not be allowed without a fresh affidavit. If the claim be lodged at Edinburgh, a ticket is issued stating that application is to be made for information as to the result of such claim after the next Monday, and within six weeks from the date of the ticket. If the claim be lodged with a Distributor or Sub-Distributor, a ticket is issued stating that application regarding such claim is to be made after a specified date, and within six weeks from the date of the ticket. If application is not made within that time, the claim will be *forfeited*, and no excuse will be accepted.

The stamps must be presented for allowance *within six months* after being spoiled. In all cases the stamps must be delivered up to be cancelled.

HACKNEY CARRIAGES IN EDINBURGH.

FARES BY DISTANCE.

The distance to which any hackney carriage may be driven under these Bye-laws shall be eight miles from the Cross of Edinburgh.

(1.) When a party not exceeding two grown-up persons, and without any luggage other than a carpet-bag or the like, enters a carriage at a stance, or when driving along disengaged, they shall be driven half a mile for 6d.; and if they return, they shall pay the same fare. The driver shall draw up to either side of the street when called; and if detained more than five minutes before starting, he shall be entitled to 6d. for waiting. *N.B.*—This rule shall not apply to fares from railway stations.

(2.) The fare from the division of Queen Street between Frederick and Hanover Streets is the same as from *W. Queen Street* stance; the fare from Frederick Street (North) and from the part of Princes Street (East) stance in George Street west of Frederick Street is the same as from *George Street;* and the fare from the Lyceum Theatre is the same as from the *Caledonian Railway* stance. Excepting the Sixpenny Fare, the fares by distance shall be shown in the annexed Table of Fares. The charges in the table shall include going from the stance or stable to the hirer's residence, and waiting ten minutes. But if the carriage be detained, before starting, more than ten minutes, a charge for waiting at the rate of 6d. for each quarter of an hour, or part thereof, after the expiry of the ten minutes, shall be allowed; and if the place where the hirer is to be taken up be beyond a mile from the stance or stable whence the carriage is taken, there shall be a charge of 6d. for such distance.

(3.) There shall be no charge for waiting while a hackney carriage is on the way to a destination unless the waiting before starting and the waiting by the way exceeds in all ten minutes; and when such waiting exceeds ten minutes it shall be charged for in terms of Section 2 of this bye-law. There shall be no charge for a short deviation from the direct route.

(4.) The fare to any place not mentioned in the table shall be the same as that to any place mentioned therein which is in the immediate vicinity.

(5.) When the fare of any particular place not mentioned cannot be ascertained by reference to a place in the immediate vicinity, the fare shall be 1s. for any distance not exceeding a mile and a half for one or two passengers; 1s. for any distance not exceeding one mile for three or four passengers; and 6d. for every additional half-mile, or part thereof, for any number of passengers not exceeding four.

(6.) Half fare returning with the party, excepting the half-mile drive.

(7.) When parties return (which they shall have the option of doing), and the fare going is 1s., the carriage shall wait ten minutes without any charge for waiting; when 1s. 6d., fifteen minutes; when 2s. and upwards, twenty minutes. If the carriage be detained longer, a charge shall be allowed for waiting, at the rate of 6d. for every twenty minutes or part thereof, commencing when the free waiting expires.

(8.) When a carriage is called but not used, a charge of 6d. shall be allowed, if the place to which it is called be under half a mile from the stance or stable, and 1s. if beyond that.—Waiting as in Section 2.

FARES BY TIME.

It shall be in the option of the hirer to pay by time for a carriage employed within the municipal bounds, for SHOPPING, MAKING CALLS, and the like, where the driving is not continuous. The charge in such cases shall be 2s. for the first hour or part thereof, and 6d. for every additional quarter of an hour or part thereof.

For an AIRING into the country within eight miles from the Cross of Edinburgh, and returning, the rate shall be 3s. for the first hour or part thereof, and 1s. for every twenty minutes or part thereof. Unless the hirer wishes a slower pace, the rate of driving when out an airing shall be at least six miles an hour; and in the event of the driving being at a slower pace than six miles an hour, contrary to the wish of the hirer, it shall be optional for the hirer to pay the fare in the proportion of 3s. for every six miles so travelled. A drive round the Queen's Drive shall be at the rate of 3s. per hour.

FARES BY DISTANCE OR BY TIME.

(1.) If there be more than four adults driven, a charge of 6d. extra shall be made for each additional adult, or for each two children above six years of age, and under twelve. No additional charge for one child above six to twelve, or children under six years.

(2.) Double fare—from twelve o'clock at night till seven o'clock morning. 1. When the hiring shall be by time the charge shall be double fare. 2. When the hiring shall be by distance, and the number of passengers shall not exceed four, the charge shall be double the fare as for one or two passengers. 3. For waiting, double charge shall be allowed. 4. The double charge shall not apply to luggage.

(3.) On Sunday the fares for such carriages as shall have been previously ordered or engaged, or hired elsewhere than on the public streets or stances, shall be fare and a half.

(4.) The above fares are for one-horse carriages, and there shall be no additional charge when two horses are used by the owner without being required to do so; but if two horses be used at the request of a hirer, the charge shall be fare and a half.

(5.) No owner or driver shall demand or receive more than the regular fare.

(6.) Owners or drivers may agree to drive at lower fares than those fixed. In that case, should they demand more than the fare agreed on, they shall be liable as for an overcharge.

LUGGAGE.

For luggage exceeding 100 lbs. in weight there shall be a charge of 6d. extra. But there shall be no charge for luggage under that weight. The driver shall assist in loading and unloading in all cases when required.

FARES MAY BE WITHHELD.

Any party shall be entitled to withhold payment of the fare—

1. When the name and number are not painted outside, or when there is no plate inside, in terms of Articles 2 and 3 of these bye-laws.
2. When the reference ticket is not given on demand.
3. When the bye-laws, table of fares, and driver's licence are not shown on demand.
4. When an overcharge is made.
5. When the driver fails or refuses to complete an engagement; but if payment of the fare be withheld, the party shall give the driver his full name, designation, and residence.

REDRESS.

Complaints for breaches of the foregoing bye-laws should be made at the Procurator-Fiscal's Office, 7 City Chambers, immediately, or within eight days after the date of the offence, except in cases in which parties are prevented doing so by their absence from town.

TABLE OF CAB FARES FROM THE FOLLOWING STANCES.

The driver is bound to give the hirer a reference ticket, and exhibit his licence, bye-laws, and table of fares.—100 lbs. luggage free.
Any person refusing to pay the regular fare on demand is liable to a penalty such as the magistrate shall determine as compensation for loss of time arising from such refusal.

Artistic Letterpress Printing.

IN order to meet the growing demand for this class of work, and to extend our reputation for High-class Printing, we have opened a special department for the production of Artistic Work, the superintendence of which has been entrusted to Mr GEO. W. JONES, late of Leicester, whose reputation as an Artist Printer is world-wide (see following page). The department contains by far the finest collection of Type in Scotland, and includes the choicest productions of the leading British, French, German, and American typefoundries.

We are thus in an exceptionally favourable position to produce effective Business Announcements, of whatever kind, in a style at once attractive and appropriate, and at prices which will compare favourably with those charged by competing houses for ordinary work.

JOHN S. COMMON, Manager.

EDINBURGH CO-OPERATIVE
PRINTING COMPANY LIMITED,
BRISTO PLACE.

Golden Opinions.

From Robert Hilton, *London, Editor of "The British Printer."*

"The fertility of ideas, correct taste, appreciative use of colours, and finished execution of your productions fully entitle you to the position of a leader of English typography, and one whose fame has already extended beyond the limits of his own country."

From M. P. M'Coy, *London, Editor of "The Modern Printer."*

"My opinion is, that your work entitles you to the premier position amongst English printers."

From Thomas Hailing, *Oxford Printing Works, Cheltenham.*

"I am highly delighted with your specimens, and consider their freshness and clearness grand. They come to me like a sea breeze after a dusty and sultry day, and leaven up this lumpy life of mine into a new heaven and a new earth."

From Josiah Wade, *Halifax.*

"Friend Haight sends me No. 5 'American Art Printer.' It is splendid. I know Mr Haight personally. I consider him the best printer in America, and you the best in England."

From A. V. Haight, *Poughkeepsie, New York, U.S.A.*

"Your specimens of printing are certainly first-class, and are not excelled anywhere."

From J. S. Bletcher, *Milwaukee, Wis., U.S.A.*

"The finest lot of samples I have received from the other side, and every job shows you are well up in the business."

Herr Theodore Goebel, *in the "Journal für Buckdruckerkunst."*

"Mr Geo. W. Jones enjoys the reputation of being an excellent typographic artist; he would claim also with us the same well-deserved honour."

From H. V. Huse, *"Vox Populi" Press, Lowell, Mass., U.S.A.*

"It will give me much pleasure to receive specimens of your work, the excellent reputation of which is not confined to the old country."

From Robert Gravson, *Hull.*

"You are certainly keeping abreast of the age, and are earning the thanks of the craft for the manner in which you are elevating the 'art preservative.'"

From "The American Art Printer," New York, U.S.A.

"It is some time since we had the pleasure of examining so uniformly good a collection of jobs as the one recently sent us by that expert printer, Mr Geo. W. Jones, of Leicester, England. The composition is tasteful to a degree, and all is worked out with precision and finish of workmanship, and such purity and cleanness of colouring, as to call for unstinted praise. They are nearly all distinctively American in style, new in type, and would do credit to the best job office on this side of the water. We congratulate Mr Jones and his house."

From "The Superior Printer," Cincinnati, U.S.A.

"We are under many obligations to Mr Geo. W. Jones, Leicester, England, for a collection of very handsome specimens of job printing. They exhibit the most tasty composition and clean press-work of any we have ever received from England."

From "The Paper and Printing Trades Journal," London.

"Mr Geo. W. Jones has fairly capped the climax of his achievements as a typographic master-craftsman in an exceptionally tasteful announcement issued for the holiday season. It consists of seven white enamelled cards, 6 × 4¼ in. in size, fastened with silk cord, and designed to present to the clients of the firm specimens of dance programme, menu, and invitation cards, as well as to show the excellence and finished workmanship of their productions. As examples of natural typographic art these seven cards are faultless, showing as they do exquisite taste, admirable proportion, harmonious colour effects, and the highest technical finish in every detail. Nothing so original and tasteful and perfect in every way has previously come to our notice from home printers."

All kinds of Assurance granted on

HEALTHY AND INVALID LIVES.

THIS Society was the first to grant Policies on 'INVALID' LIVES—*i.e.* lives below the average Standard, either from personal defect or hereditary taint—and still does so with conspicuous success and advantage to its Assured. Much of this success is due to its BONUS SYSTEM, which is devised to ameliorate and, should the life be prolonged beyond the estimate, ultimately to nullify the original surcharge.

(*See Special Explanation, which will be furnished on application.*)

Financial Position on the 30th June, 1887.

The Annual Income for the Year then ending was	£315,698
The Assurance Fund at that date was	2,615,150
The New Policies in the Year were 575 in number, assuring . .	351,221
The New Annual Premiums thereon amounted to	11,782
The Bonus added to Policies at the Division in January 1887 was .	440,035
The Total Claims by Death paid to date amounted to . . .	5,353,134

NEXT BONUS, 1892.

The Profits are divided Quinquennially, and Policies participate in proportion to the number and amount of Premiums paid on them during the Quinquennium. Persons who effect New Policies before the end of June next will therefore be entitled, at the division in January 1892, to One Year's additional share of Profits.

Its leading features are—*Unquestionable Security, Liberal Conditions of Insurance*, and *Early Participation in Profits.*

COMPLETE AND LIBERAL NON-FORFEITURE REGULATIONS.

The Society has adopted the principle of Non-Forfeiture to its fullest extent; and there is now no risk of a valuable Policy being forfeited through an accidental omission to pay the premium. When a Policy has acquired a surrender value (generally after payment of three years' premiums), that value will not be forfeited by failure to pay the premium; but, if not paid to the Policy-holder in cash, will be applied to keep the Policy in force, either temporarily for its full amount, or permanently for a reduced amount.

POSITION OF THE SOCIETY AT 1st MARCH 1887.

The Existing Assurances, including Bonus Additions, were	£9,757,981
The Annual Revenue was	383,263
And the Assurance Fund was	2,874,114

The Assurance Fund is 11·2 times the premiums of the year, and is 31·3 per cent. of the existing assurances after deduction of the re-insurances of £585,934.

The Premiums on Whole-Life Policies are now calculated by half-years of age, so that those who insure within six months after a birthday will be charged a lower rate of premium than hitherto.

Most of the Policies after Five Years' endurance are freed from all conditions, except the payment of the Ordinary Premium.

SETTLEMENT POLICIES, with special advantages, are granted under the 'Married Women's Policies of Assurance (Scotland) Act, 1880,' free from all claims of creditors in the event of subsequent insolvency.

LOANS granted in connection with life insurance, on Life Interests, Reversions, and other approved security. Reversions purchased.

THIS Company has been in successful operation for **Ninety Years,** and during that long period every legitimate Claim has been fully and promptly discharged. The Shareholders' liability to make good the fulfilment of every contract is **practically unlimited,** the limitation clause usually found in life policies being non-existent.

The Rates of Premium have been carefully revised and adjusted upon the most recent data. Large Bonus Additions to Policies were declared at the Quinquennial Investigation in 1886, the calculations being based upon what is termed a **Three per cent.** Valuation, the Table of Mortality being the most stringent in existence.

The Financial Position of the Company is as follows:—

Annual Premium Income,	**£94,000**	**Invested Funds,**	**£1,360,000**
Total Annual Income,	**148,000**	**Amount of Policies in force,**	**3,170,000**

Claims paid, including Surrendered Policies, upwards of £8,000,000.

THE COMPANY'S INVESTMENTS REALIZE UPWARDS OF 4½ PER CENT.

TONTINE LIFE INSURANCE.—Attention is specially directed to a scheme introduced by this Company some fifteen years ago. It presents the best features of Endowment Insurance, combining the advantages of an Investment with those of ordinary Insurance. To the Insured who from any cause may not be in a position or disposed to keep the Policy in force, an unusually large Surrender Value is given, and in common with the Company's other Policies, the Insured are entitled to liberal advances by way of Loan.

This department of the Company's business is entitled the **Survivors' Bonus** Scheme, and a Prospectus setting forth its peculiar advantages will be forwarded free on application.

THE COMPANY issues Debentures free of expense for amounts of £100 or upwards, in such sums as may suit lenders. Coupons for the interest are attached to the Bonds, and these are payable half-yearly, on 15th May and 11th November, at the Royal Bank of Scotland, in Edinburgh or London, and can be cashed anywhere free of charge.

In addition to the general Assets of the Company, Debenture-holders have the security of the Subscribed and Uncalled Capital, which is the limit of the borrowing power. This Capital has been subscribed by upwards of 500 Shareholders.

There being an influential body of Shareholders resident in the Colony, secures careful management there.

The Investments of the Company consist of Mortgages on Land, and on other Securities on which a valid Mortgage can be obtained by the laws of the Australian Colonies. The Loans by the Company are chiefly for short periods, and the Capital is thus readily available for repayment of Debentures falling due.

DEPOSITORS with this Company possess Security of a high character. The Funds are lent over Heritable Properties within Scotland. The Loans are, on the average, very moderate in amount, and in most cases are repayable by instalments embracing principal and interest, so that the margin of security is being steadily increased.

In addition to these Investments, the Company's Uncalled Capital, amounting to £180,000, furnishes a valuable Guarantee to Depositors; while the Reserve Fund, amounting to £20,000, which is separately invested in Bank of England Stock, affords a still further Security.

The Rate of Interest allowed on Deposits varies from 2½ to 4 per cent., according to the term for which the money is lodged.

BORROWERS will find the Company's arrangements simple and equitable. Parties are assisted in the Purchase of Houses or Shops for their own occupation.

The Instalments by which Loans are repayable are moderate, and a portion of the sum advanced may lie at interest. No Commission or Fines are charged, and no Assessment made on Borrowers in name of additional interest dependent on the rise of the Bank Rates.

WILLIAM MACKENZIE,

BUILDER AND ASPHALTER,

HOPE PARK END HOUSE, EDINBURGH,

RESPECTFULLY intimates that he executes every description of Asphalting, and is ready to furnish Estimates for the same, in Town or Country, on Moderate Terms.

ASPHALT FLOORING is highly recommended for Stables, Byres, Barns, Cattle Sheds, Granaries, Cottars' Houses, and all kinds of Farm Buildings, on account of its being the most effective preventive to the ascent and spread of Damp, its complete exclusion of Vermin, its neat and cleanly appearance, its durability and cheapness in comparison with other descriptions of flooring and pavement, and its healthy and disinfectant properties. While it effects a great saving, by the exclusion of rats and smaller vermin, owing to the close texture of the composition, without seam or joining, it keeps the Grain in a sweet state, from the entire absence of damp or moisture; and wherever the Asphalt Flooring has been used, it has fully realized all the benefits held out by its adoption.

GALVANIZED WIRE TRELLISING,

No. 2.

Finished at top with Gothic Border, which gives it a finished-like appearance, and made in panels to suit walls. Prices on application.

BAIN, YOUNG, & CO. most respectfully draw the attention of their Customers and others to their mode of Galvanized Diamond Wire Trellising, for training Creeping or any other kind of Plants on front and side walls of Residences and Garden Walls, for Fruit Trees, etc., or on any site where the same may be required. The above Trellising has been extensively supplied and erected by them for many years, and has given entire satisfaction to Professors, and other authorities on Horticulture, who recommend it as being the best in use for training Plants, Fruit Trees, etc. The material being light, yet strong enough for the purpose for which it is required, and the Trellising being kept out from the wall, and the heat of the sun being equally dispensed on the Trellising and Plants, produces a wonderful effect, greatly helping the growth and health of the Plants, which speedily cover the wall in a most pleasant manner. From their great experience in this class of work, B., Y., & Co. will be glad to take measurements: or if measurements be sent, prices will be given, thus enabling their Customers to know the entire cost previous to the work being done.

Extract from Report on Sanitation by G. ARCHER, Esq.

'PUBLIC HEALTH OFFICE,
83 Constitution Street, Leith, 18*th December* 1885.

'I have to-day, chiefly on Sanitary grounds, examined the premises known as Liddell's Family Laundry, Canonmills, Edinburgh.

'The internal arrangements and equipments for carrying on an extensive business with efficiency and despatch are most complete.

'A thorough system of Sanitation is a marked feature of the Establishment, and this, when taken in connection with the important fact that it is a strict rule of the Establishment that no clothes are admitted from any house in which infectious disease exists, or has recently existed, should not only confirm public confidence in the already well-established reputation of this Family Laundry, but should also form a strong argument in favour of its receiving a still larger share of public patronage.

'GILBERT ARCHER,
Sanitary Officer, Burgh of Leith.

LAUNDRY,

HOUSE OF MERCY, ST. CATHARINE'S CONVENT,

4 LAURISTON GARDENS,

EDINBURGH.

SPECIAL ATTENTION.—The Sisters of Mercy who conduct this LAUNDRY—opened six years ago, and now enjoying extensive patronage from Families resident in Edinburgh, Schools, and Hotels—solicit further Orders. Terms moderate. Printed Price List to be obtained by application to the Reverend Mother Superior at above address.

The Van collects and returns Washings in all parts of the City and Suburbs.

NEEDLEWORK AND KNITTING ARE ALSO DONE ON THE PREMISES.

The **House of Mercy** has been established to board, lodge, and train as domestic servants, girls who have no home or proper protection. Numbers of girls are being lost daily for want of those safeguards which a respectable home insures, and which are so necessary for a girl in a city like Edinburgh. Those only who visit the very poorest and lowest localities can know the terrible dangers and temptations by which such girls are surrounded. It is idle to deplore the number of those who fall, and who, besides losing their own souls, bring many others to ruin, if strenuous efforts are not at the same time made to avert this evil. The SISTERS, therefore, confidently appeal to the charitable for assistance in a work which, they venture to think, can have no small claim on their sympathy and support.

Annual Subscriptions, however small, and Donations of Money, Food, or Clothes, will be thankfully acknowledged by the Reverend Mother Superior, who will be happy to show Visitors over the Laundry on Thursdays and Fridays.

PATENT

BRASS SHOOTING BALLS

AND PIGEONS

Large Shooting Balls 10s per 100. Small Shooting Balls. 8s per 100.

These Articles must in time replace the ordinary Glass Shooting Balls, the fragments of which damage the fields where the shooting takes place and wound the feet of cattle. The Patent Shooting Balls consist of two segments of brass, containing Powdered Charcoal. When the Shot strikes one half, the latter simply falls to the ground, leaving a black cloud in the air. If the Shooter misses the ball, the latter simply falls to the ground. Parties will find it to their interest to use the Patent Brass Balls, as they are cheaper in Price, and breakage is saved. The Balls are used with Glass Balls in shooting at trials.

THE NEW REGULATION

Signal or Distress Rocket

FOR VESSELS REQUIRING ASSISTANCE.

The Board of Trade have decided that these Signals are conformable to the Merchant Shipping Act, 1876, section 18.

I have made another improvement in the manufacture of my SIGNAL or DISTRESS ROCKET, that is, by doing away with the old method of Ramming by Mallets or the Monkey Driving Process, and adopting the same plan as used in the WAR ROCKET DEPARTMENT at our *Woolich Arsenal*, viz.:

THE HYDROSTATIC DRIVING PROCESS

The advantages thus gained are various—not only is the operation of filling much more expeditiously performed, but it is also freer from danger, and a much larger amount of composition can be got into a case of given dimensions by adopting this new process. Steel Rammers are substituted for those of Wood or Gun Metal, neither of these being hard nor tough enough to withstand the violent pressure necessary to give a due amount of consolidation to the impacted charge. Those who are conversant with the vast amount of pressure that admits of being exercised by *Hydrostatic* force, need not be told that the process is efficient in effecting the end for which it is designed, viz., consolidation of the impacted materials into a stone-like mass. It may be interesting to state that the exact pressure (*of the New Machine* of T. C. BARLOW'S) brought into force is ONE, TWO, and THREE TONS to the SQUARE INCH.

EXHIBITION FIREWORKS

Being a different class of goods to Shop Work, the following Caution is requisite. There are *Toy Dealers* in Glasgow and Edinburgh who merely deal in Fancy Toy Fireworks, who have the *presumption* to solicit orders for Displays (and even term themselves artistes), who have really no practical knowledge of the Art, or even the slightest particle of Machinery or Apparatus for the same. Therefore, T. C. BARLOW would advise those gentlemen who contemplate getting up an Exhibition to commemorate any event, to demand *Designs* of the Set Devices, the size of each, and specification of the Aerial part of the Display, or they will merely get a quantity of Small Rockets, Squibs, Jack-in-Boxes, Roman Candles, and such small work, which are only fit for the amusement of children.
